TARIFF WRANGLE ENDS IN HOUSE

Democrats Lauded Bill and Republicans and Progressives Attacked

MR. PAYNE HOWLED CALAMITY

Special Interest Champion Painted Vivid Picture of Ruined Industry and Impoverished Labor—Defends Colonel

Washington, April 28.—General debate on the Democratic tariff bill in the House wound up tonight in a final outburst of oratory. Democrats spent the day lauding the measure, while alternately Republicans and Progressives attacked its provisions.

The House, weary after a week of tariff oratory, did not produce a numerous attendance and most of the speeches of the day were made to empty benches. However, Representative Payne, of New York, the ranking Republican member of the Ways and Means Committee and the father of the present tariff law, had a good-sized audience on hand to listen to his denunciation of the bill. He painted a vivid word picture of ruined industry and impoverished labor which he presented as the inevitable result of the Underwood bill. Republicans vociferously applauded when he declared that the reduction in the cost of living promised by the Democrats as a result of the tariff revision was a fallacy.

Mr. Payne criticised the Ways and Means Committee for putting wool on the free list while leaving on the dutiable list the hair of the Angora goat, intimating that it was the work of Representative Garner, the Texas member of the committee. "There are 3,000,000 goats raised in the United States," he said, "and that 2,999,999 of them are raised in Texas."

Representative Murdock, the Progressive leader criticised the tariff policy of both the Democrats and Republicans. He said the Underwood bill was an "unreliable, chaotic jumble" and urged that the tariff be placed in the hands of a non-partisan tariff commission.

Representative Rainey, of Illinois, Democrat, declared the bill represented a new era in the government's fiscal policy, "making lighter the burden of taxes upon the consumers of the country and compelling great wealth to contribute its fair share toward paying the government expenses."

He pointed out that no government that had adopted an income tax system and given it a fair trial had repealed it.

"We make the tax highest upon the great incomes and lowest upon the small incomes, taxing 425,000 in all, and expecting to collect from them at least $70,000,000."

He said the tax would reach 126,000 incomes, that amounted to between $4,000 and $5,000 a year, from which the government expects to collect only $630,000 an average of $5 per income, and would reach 100 incomes, amounting to more than $1,000,000 each per year, from which a collection of nearly $6,000,000 is expected.

Mr. Rainey said he knew of no swollen fortune which has not been made possible by the favors of government, and that a protective tariff conferred upon protected interests the right not only to levy axes, but to collect and distribute the dividends to the holders of watered stock. He declared that the revision would end the alliance between the protected woolen mills of the East and the wool producing States of the West.

"This," he continued, "is not a free trade bill, but it will fail of its purpose if it does not bring about a freer exchange between the products of this and other countries, each nation, each section producing what it is best adapted to produce, and trading its products for the products of other sections and nations."

Representative Payne defended the Payne-Aldrich tariff law, and declared the Underwood bill as a tariff for revenue measure "a signal failure."

"If this bill becomes a law as it now stands, the next four years will be weary waiting," he said, "that the proposed bill is a revision downward, I frankly admit," Mr. Payne concluded.

Representative Murdock, leader of the Progressives, criticised the Underwood bill as "unfair, unscientific, unreliable, chaotic and jumbled."

"If this bill passes," he said, "before Christmas, its sponsors will be offerings amendments."

The Bill in the Senate.

Chairman Simmons today divided the Senate Finance Committee into three sub-committees to consider the tariff bill. Senators Stone, Thomas and James were assigned to the metal, erthenware, wool and silk schedules, and the free list, not connected with any particular schedules; Senator Williams, Shively and Gore to sugar, agricultural and flax schedules, the income tax section and administrative features of the bill; Senators Johnson, Smith, of Georgia, and Hughes to the chemical, cotton, wood, pulp and paper, and sundries schedules.

Representative Chandler, of New York, Progressive, advocated the reduction of certain tariff duties and replied to Representative Heflin, of Alabama, who he said, had called Theodore Roosevelt "the Wild Man from Africa," and in the same breath had invoked the spirit of Andrew Jackson to guide the deliberations of a Democratic Congress.

"Jackson once killed a man named Charles Dickinson in a duel," said Mr. Chandler. "He threatened to hang Calhoun as high as Haman; tried to hersowhip Thomas Benton; challenged General Winfield Scott to a duel; overran Florida, and had two eminent British gentlemen hanged, thereby nearly bringing us into a war with Great Britain and Spain, and when President, broke up his cabinet by his own head-strong violence. This is the mild-mannered man whose spirit is invoked in this House by a Democratic Congressman in the same breath he employed to denounce Roosevelt as a "Wild Man from Africa."

House—Night Session

Washington, April 28.—The debate finally closed at a night session with a lively defense of the Underwood bill by Representative Harwick, of Georgia, and a short statement by Leader Underwood, after speeches by Representatives Burnett, of Alabama; Dupre, of Louisiana, and McKellar, of Tennessee, Democrats; Towner, of Iowa, and Farr, of Pennsylvania, Republicans, and others.

Mr. Burnett, referring to the Burnett-Dillingham immigration bill vetoed by President Taft, read a telegraphic report of the proceedings of the Vice Commission of Illinois, of April 25th, regarding conditions at the Springfield factory of the International Shoe Company which he said showed "that the Republican party is not only in partnership with the trusts but in partnership with the white slave traders."

WILL STIR LEGAL CIRCLES

Supreme Court of United States Renders Decision Which Justice Lurton Pronounces Alarming—Affects Railroads

Washington, April 28.—In a decision of momentous importance, especially as to railroads, the Supreme Court today laid down the general principle that a creditor of a corporation, not a party to its re-organization may hold its successor for his debt.

In this specific case, the court, five to four, in a decision which Justice Lurton, who dissented, declared "was alarming," held the Northern Pacific Railway Company responsible for a $125,000 judgment against the Northern Pacific Railroad Company, which it succeeded, despite the fact that the court expressly stated that no moral wrongdoing was to be found in the re-organization.

Corporation lawyers who heard the decision declared it was a direct blow at the practice of re-organizing corporations, to get rid of onerous contracts or escape payment to unsecured creditors. Its effect they thought would be far-reaching.

The principle, as laid down by Justic Lamar, was stated in this language:

"Corporations insolvent or financially embarrassed often find it necessary to scale their debts, and readjust stock issues with an agreement to conduct the same business with the same property under a re-organization. This may be done in pursuance to a private contract between bondholders and stockholders and though the corporation property is thereby transferred to a new company having the same shareholders, the transaction would be binding between the parties.

"But, of course, such a transfer by stockholders from themselves to themselves cannot defeat the claim of a non-assenting creditor. As against him, the sale is void in equity, regardless of the motive with which it was made. For if such contract organization was consummated in good faith and in ignorance of the existence of the creditor, yet, when he appeared and established his debt, the subordinary interest of the old stockholders would still be subject to his claim in the hands of the re-organized company. There is no difference in principle if the re-organization instead of being effectuated by private sale, is consummated by a master's deed, under a consent decree."

NEW YORK PRISON CHARGES.

Brutality, Waste and Incompetency in State Penitentiary.

Auburn, N. Y., April 28.—Charges of prison brutality, waste and general incompetency in connection with the management of the Auburn State prison, which were made public last night, in the report of Governor Sulzer's special commission of investigation were characterized as "made for political effect," in a statement given out today by Warden George W. Benham.

"The glittering statement of waste in commissary cannot carry great significance," he explained, "when it is known that the average per capita cost for feeding the inmates during the past eight years was about nine cents per day. It is not strange that the investigators obtained large figures, when it is known that to produce them it was necessary for them to weigh the soup left in bowls at meal time and other refuse. As for recommending my dismissal, this must appear humorous, as my resignation has been tendered several times during the last two years, and even within the past two weeks."

The warden made no specific reply to the charges of brutality in connection with which Governor Sulzer's commissioners declared that 28 prisoners had gone insane during the past year and that the prison doctor was "careless and unfeeling."

ADDITIONAL CIRCUIT JUDGE.

Carolinas, Virginia and Maryland Are Concerned.

Washington, April 28.—The Senate today passed the bill authorizing an additional circuit judge for the Fourth Circuit with an amendment presented by Senator Cummins abolishing the judgeship made vacant by the removal of Robert W. Archbald, who had been assigned to the Commerce Court. The fourth circuit includes the districts of Maryland, West Virginia, Virginia, North Carolina and South Carolina.

KILLED BY TRAIN.

Was Standing on Norfolk Southern Track at Norfolk.

Suffolk, Va., April 28.—Henry Grady Stevens, 23 years old, employed by the John L. Roper Lumber Company, was struck by a Norfolk Southern train this morning and died several hours later in a hospital. Stevens was standing on the track talking to his brother and did not notice the approaching train. He was knocked down and when picked up was unconscious. He died from internal injuries.

POWERS' FIRM TO MONTENEGRINS

Were Ordered to Evacuate Scutari With Briefest Delay

PROTEST FROM MONTENEGRO

King Nicholas' Army Has Marched North, Leaving Few Batteries Behind—Powers Will Take Command of City

London, April 28.—The mystery surrounding events in the Balkans is deepening. No further news has been received of Esaad Pasha's exploit in Albania and the situation at Saloniki is difficult to understand.

A dispatch from Saloniki of current date confirms the report that orders were given for the Bulgars to evacuate all places occupied by the Greeks, but that later these orders were countermanded and that official attempts were made to pretend that they never were given.

A Bucharest dispatch dated April 20th, to the Daily Telegraph, expresses the firm conviction that immediately after peace is signed between the allies and Turkey, a new war will commence between Servia, Bulgaria and Greece.

A Bulgarian correspondent says that large concentrations of opposing troops are ready for these campaign and adds he has heard from reliable sources that considerable fighting has already occurred and that three important engagements were fought last week, concerning which the greatest secrecy has been maintained. He described fighting with losses on both sides between the Bulgarians and Servians to the northeast on Monastir on April 10th and fighting between the Bulgarians and the Turks.

The Daily Telegraph calls attention to the fact that, whereas a few weeks ago the Servians were endeavoring to defeat and capture Dvadjid Pasha's army, these operations appear to have ceased and suggests that the cessation of the Servian attack is connected with Essaad Pasha's coup.

Apparently the Ambassadors conference in London today postponed its decision until the next meeting which is set for May 1st.

The coup referred to was mentioned in a Sunday dispatch from Cettinje, Montenegro, which stated that Essaad Pasha, the defender of Scutari, who surrendered the city to the Montenegrins and who was permitted to depart with his troops, has moved into Albania and pronounced himself King. It is said he has 26,000 troops, and it is rumored that he has a secret understanding with the Montenegrins.

London, April 28.—"There is no cause for pessimism even now." This was the only official utterance that could be obtained regarding the result of the momentous conference of the Ambassadors of the powers on the Balkan situation today.

The conference lasted more than three hours and another arranged for May 1st indicates that the diplomats still expect to find a peaceful solution of the problem caused by Montenegro's defiance of the powers. The representative of the Montenegrin government in London received instructions today from Cettinje ordering him to protest formally against the demand by the European powers for the immediate evacuation of Scutari by the Montenegrins, which is described by the government of King Nicholas as "unjust and cruel."

The demand of the European powers is couched in the following terms:

"We have the honor to declare collectively to the Royal Government of Montenegro that the taking of the fortress of Scutari does not in any way modify the decision of the European powers relative to the delimination of the frontiers of Northern and Northeastern Albania, and consequently the city of Scutari must be evacuated with the briefest possible delay and must be handed over to the European powers represented by the commandants of the International Naval forces lying before the Montenegrin coast. The Royal Government of Montenegro is invited to give a prompt reply to this communication."

The Montenegrin representative in London, to whom this demand was cabled back from Cettinje, said today:

"I have been ordered by my government to protest formally against this unjust and cruel demand, and once more to ask the European powers to examine in an equitable manner the vital question of Montenegro's future, and to place that nation on an equal footing with the other Balkan allies."

Troops Have Evacuated

Vienna, April 28.—Crown Prince Danilo, of Montengro, and his troops, have marched out of Scutari toward the north, according to dispatches received here today. Only five batteries of Montengrin artillery remain in the city.

Government circles in Vienna regard the movement of the Montenegrin troops from Scutari as equivalent to evacuation of the fortress demanded by the European powers.

BRIBERY CASE HALTED

Member of Legislature Charged With Accepting $15,000

Charleston, W. Va., April 28.—The trial of Delegate S. U. G. Rhodes, the first of seven members of the West Virginia Legislature to be brought before court on charges of bribery growing out of the recent Senatorial election, was halted today when his counsel entered a plea of abatement on the ground that the grand jury returning the indictment had been improperly drawn. Arguments to sustain the contention were not completed today. Delegate Rhodes is alleged to have received $15,000 to vote for Colonel William Seymour Edwards for the United States Senate.

EARTHQUAKE SHOOK COUNTRY

Montreal, Ottowa and Northern New York in Zone of Disturbance—No One Killed—Alarm General

Montreal, Can., April 28.—A slight earthquake shock was experienced here shortly after 7:30 o'clock this evening, but no damage is reported from any section, though the inmates of a hospital in the west end of the city, where the movement was most pronounced, were considerably excited.

Ottowa, Ont., April 28.—An earthquake shock was felt here tonight. Houses were badly shaken, but no one was killed or injured, according to early reports.

Houses Jarred

Syracuse, N. Y., April 28.—Earthquake shocks were felt in several villages in Northern New York at 7:30 o'clock this evening, causing considerable alarm. At Canton, St. Lawrence county, the shocks continued for a minute. Houses were jarred and dishes rattled on the shelves but no damage was done.

People Ran to Streets

Odensburg, N. Y., April 28.—The heaviest earthquake ever experienced here was felt at 7:30 this evening. It lasted fully half a minute and was followed by a loud rumbling sound. Buildings shook so badly that people ran into the streets in fear that they would collapse.

CONGRESS IN BRIEF

Proceedings in Both Senate and House—Night Session of Latter

Washington, April 28.—Senate: Met at noon.

Committees on Education and Labor agree to favorably report nomination of Charles P. Neill, as commissioner of labor statistics.

Sundry Civil Appropriation bill reported. Chairman Martin announcing he would call it up for consideration at next meeting.

Senator Kern's resolution for investigation of West Virginia coal strike was reported and will be up Thursday.

Considering resolution calling for an official analysis of political and geographical composition of consular service, but deferred action until next session.

Chairman Simmons divided Finance Committee into three sub-committees for consideration of tariff bill.

Passed bill authorizing additional United States Circuit judge for Fourth district.

Confirmed several postmasters and H. S. Beckenridge as Assistant Secretary of War. Passed urgent deficiency bill as passed by House.

Adjourned 6:02 until noon Thursday.

House: Met at 11 A. M.

Resumed general tariff debate which scheduled to close tonight.

Representative Rainey spoke in favor of tariff; Representative Payne against it.

Representative Sisson delivered a "war speech" supporting proposed California anti-alien law.

Recessed at 6:35 P. M. until 7:30 P. M.

COLLISION OF STEAMSHIPS.

Two Vessels Badly Damaged on St. Johns River.

Jacksonville, Fla., April 28—In a collision today in the St. Johns river, the steamers Morgan, of the Van Steamship Company, and the British steamer Ethelstan, sustained damage which made it necessary for them to be towed into this port. The collision is believed to have been due to a mistake in reading signals.

The Morgan, carrying passengers and freight, outward bound for Miami, had her wheel house and rail torn away and the deck ripped. The wheel also was badly damaged. Damage to the Ethelstan was confined largely to the bow steam and rail. Surveys will be made here tomorrow to ascertain the exact damage to both steamers.

NINETY-SEVEN DEAD REMOVED

Funerals of Victims of Coal Mine Disaster

Pittsburgh, Pa., April 28.—Another body was taken from the Cincinnati mine of the Monongahela River Consolidated Coal and Coke Company at Finleyville, near here today, bringing the total dead to date 97, one of which was a rescuer. Funerals of victims continued during the day and evidences of the disastrous explosion of last Wednesday are gradually disappearing. Investigations on the part of the Federal government, the State and local authorities were started today.

OUTLINES

Canada and Northern New York experienced an earthquake shock early last night.

Ninety-seven dead have been removed from the coal mines in which an explosion occurred near Pittsburgh last week.

Former rebel troops in Chihuahua, Mexico, have mutined, made prisoners of their commanders and refused to battle with the forces.

The powers yesterday served formal notice on Montenegro that her army must evacuate Scutari; Montenegro protested but her troops moved out.

The tariff debate in the House closed last night in a flood of oratory, Democrats lauding the Underwood bill and Republicans and Progressives howling calamity.

Secretary Bryan yesterday conferred with California legislative leaders as to the anti-alien law, admitting California's right but conveying President Wilson's earnest desire that they desist.

Representative Sisson, of Alabama, made a war speech in Congress yesterday, taking the side of the Californians who want to legislate the Japanese out of land-holding in that State.

New York markets: Money on call 2 3-4 to 3 per cent, ruling rate and closing bid 2 3-4, offered at 3; cotton quiet, 11.70; flour firm; wheat No. 2 red, nominal; corn steady; rosin steady; turpentine easy.

SPEECH FOR WAR STIRS THE HOUSE

Sisson of Mississippi Wants to Resent Japanese Interference

CALIFORNIANS ARE RIGHT

Alabama Representative Contended That States Have Right to Protect Their Civilization—Danger of Concession.

Washington, April 28.—A "war speech" in support of the proposed California anti-alien law, was delivered in the House today by Representative Sisson, of Mississippi.

"If we must have war or submit to this indignity I am for war," cried Mr. Sisson. "I am with the people of California in their efforts to prevent these aliens from acquiring land."

"I believe," said Mr. Sisson, "that no non-resident aliens should be allowed to hold a single foot of land in the territory of the United States. What would Washington say in answer to the question, war or submission? What would Jackson say? What would Cleveland say? What would McKinley say? I resent the efforts of Japan to force us to submit to her demands."

Mr. Sisson took the position that the Japanese government in protesting against alien land legislation was endeavoring to exempt its citizens from the operation of the laws of States.

"The President and Secretary of State," said Mr. Sisson, "should only assure an alien government that the people of that alien nation would be dealt with fairly in accordance with the law of the State. Any other position would lead to the Federal government's taking out from under the laws of the states, the citizens of another nation. But all citizens or aliens resident in a State must be held subject to its laws, and to exempt the alien would give him privileges over and above those accorded to American Citizens."

Representative Mann, the Republican leader, suggested that the United States had the constitutional right to treat with foreign governments to secure for American citizens property rights abroad, and that Mr. Sisson was contending that the foreign governments did not have a similar right.

Mr. Sisson contended that the people of California had the right to pass laws regarding alien holdings of land as in their judgment seemed best, when such laws did not infringe upon the Federal constitution.

Sisson discussed at length points of international law involved in the dispute and declared that California was endeavoring to do only what Japan had already done.

"If Japan now threatens us with war what would she do when millions of her citizens have acquired land in our country?" he said.

"I lay down the proposition that an alien population holding land within our borders would be a fixed and constant menace. We must preserve to the American farmer the right to own the soil of our country without competition, which would down his standard of living. I would not surrender it unless we had spent the last drop of blood in American manhood and impoverished our country for a hundred generations."

"Treaty-making can never deprive the States of a reserved power," continued Sisson. "This California question is far-reaching and important in its results. Nearly all of the States have statutes regulating the rights of aliens in reference to acquiring real estate. Nearly every State has some limitation.

"This Democratic administration should announce with no uncertain tone to the world the doctrine that Congress proposes the right of the people of these States to determine who shall own land within the States, and that the United States government will not prevent the States from making such land laws as they see fit and proper, provided they do not discriminate against citizens of the United States.

"If the President and Senate should commit themselves to any other condition we will have internal broils at home and international complications and meddling into our domestic affairs occasioned by the constant complaints of the alien land owner to his own government.

"I accord to the Japanese all the equal rights with ourselves. I would as quickly resent a demand from our government upon Japan, to permit an American citizen to own land in Japan, contrary to the laws of Japan, as I do not resent Japan's efforts to compel us to submit to her demands. I think it the duty of every loyal citizen of all our States to stand for California and her rights in this fight for her own citizens and their descendants."

About half the membership of the House sat in amazement while Mr. Sission, immediately after the session began, took the floor. Wearied with a week of routine tariff debate, members paid close attention to Mr. Sisson's argument, and his speech was frequently interrupted by applause.

TILLMAN DIDN'T FIGHT.

Most of Forty Nominations of President Were Confirmed.

Washington, April 28.—Despite the declared intention of Senator Tillman to oppose the confirmation of Charles P. Neill as commissioners of labor statistics, the Senate committee to which the nomination had been referred, today agreed to report it favorably.

Most of the 40 nominations to minor postoffices held by Republicans of the Senate for several days were confirmed today in executive session. Objection was made to several of President Wilson's appointments to other minor posts and they were passed over until the Senate's next session. H. S. Breckenridge, of Kentucky, was confirmed as assistant Secretary of War.

MEXICAN REBELLION GROWS

Government Troops Have Refused to Fight Rebels and Seized Their Commanders—Insurrectos Overrun Mexico.

El Paso, Texas, April 28.—Ex-rebel troops under Gen. Jose Inez Salazar mutinied today at Casas Grandes, refusing to proceed in the campaign against the constitutionalists of Chihuahua State. Salazar with his staff officers is reported to be held prisoner by his own men.

The troops, whose leader had accepted the Huerta national government, were ordered to proceed to Chihuahua to enter the active campaign against the insurgents, threatening the State capital from the south. The order when given by Salazar met with refusal by a majority of the men, private advices relate. All Federal troops had been removed from the Cases Grandes district, center of an extensive American lumbering district along the Mexico Northwestern Railway, a British and Canadian owned line. Traffic on the Northwestern has been annulled and this morning's train returned here.

If the mutineers should go over to the constitutionalists side, Juarez, Chihuahua City and Parral will be the only points on the border held by the Huerta government. The adjoining frontier States of Coahuila and Sonora already practically are in control of the revolutionists.

EASY SHERIFF LOSES OFFICE.

Let Prisoners Attend Races and Baseball Games.

Albany, N. Y., April 28.—A new sheriff of Suffolk county was named by Governor Sulzer today because the executive does not believe that a man who allows his prisoners to attend race meets and ball games is fit to hold such an office. He so announced in removing Melville E. Brush, and appointed D. Henry Brown as his successor.

Investigation of charges against Brush, the Governor declared, showed that the escape from jail of a woman prisoner on the day set for her trial was due to "careless management." The same woman, he says, was entertained at "Thanksgiving dinner in the sheriff's apartments, while jewelry of her's was redeemed from a pawn shop."

Continuing, the Governor's statement adds: "It is amply proved by the testimony that prisoners serving time were permitted the freedom of the streets outside he jail walls. They cared for a horse, the private property of the sheriff, in a stable some distance from the jail; and also for the horse of a warden or turnkey. These horses were used for racing at the fairs and these prisoners, acting as stable men, and other prisoners, attended these fairs; took care of the horses at the race meet; were spectators at baseball games, dressed up in their Sunday clothes, so that it was impossible to distinguish such prisoners from reputable citizens."

THE DUNBAR CHILD.

Identification Complete by Physician. Annoyed by Amateur Detectives.

Opelousas, La., April 28.—Identification of the four-year-old boy, recently taken from W. C. Walters, itinerant tinker at Columbia, Miss., as Robert Dunbar, son of C. P. Dunbar, of this place, was made today by a physician who performed an operation upon the boy prior to the time he is alleged to have been kidnapped.

Considerable annoyance is being experienced by members of the Dunbar family from activities of amateur and professional detectives who claim to be employed on the case. One detective who said he was employed by Governor Brewer, of Mississippi, insisted upon watching the boy eat. The family has considered the advisability of requesting the authorities to protect them from inquisitive strangers. Last night members of the household became so alarmed by the actions of three "shadowers" lurking in the vicinity of the residence, that citizens were called upon to drive the "sleuths" away.

OSBORNE SWORN IN.

Greensboro Man at Last Inducted Into Office—Notes.

(Special Star Telegram.)

Washington, D. C., April 18.—Col. W. H. Osborne of Greensboro, today took the oath of office and entered upon the duties of United States Commissioner of Internal Revenue. Several hundred people, including Secretary of the Treasury McAdoo, Senator Overman and Representatives Webb and Doughton, witnessed the ceremony.

Representative Godwin, who has been in his district looking over his farm land, returned to Washington today.

H. E. C. Bryant, Washington correspondent for the News and Observer, has resigned and will devote all of his time in the future to the Washington Bureau of the New York World. P. R. A.

MOUNTAIN FOREST FIRE.

Licking Up Everything Above Linville Falls, N. C.

Charlotte, N. C., April 28.—A Linville Falls special states that a disastrous forest fire has been raging on Linville mountain for several days and that the loss to timber, fencing, galax and berry bushes will run up into thousands of dollars.

The fire reached to Linville Falls Park, where it has not been before in 30 years.

It was so dry at this time that the ground made of vegetable mould, burned to a depth of two inches in places, the heat was so great. As the fire swept up the mountain it licked up pines and hemlock in places with a great crackling roar, shooting to the tops of trees 75 to 100 feet high.

Anderson, S. C., April 28.— Passengers arriving here today report a half inch snow fall Sunday on the Blue Ridge Mountains near Walhalla, S. C.

JAPANESE QUARREL ABOUT CALIFORNIA

Secretary of State Bryan's Conference With State Legislature

TALKED WITH CLOSED DOORS

California Has Right to Bar Orientals But It Would be Against Earnest Wish of President Wilson—Situation.

Sacramento, Cal., April 28.—California in the fullness of her right as a State, may enact a rigid land law barring Orientals from ownership, but such action would be against the earnest wish of the National administration.

This is the substance of the message William Jennings Bryan, Secretary of State and personal representative of President Wilson, delivered today to a secret conference attended only by Governor Johnson, Lieut. Governor Wallace and the 120 members of the California Legislature.

Secretary Bryan arrived in Sacramento at 6 o'clock this morning. With his consent, plans were laid for an immediate hearing and shortly after 11 o'clock the first session of the conference began. Until the doors of the Assembly chamber were closed and locked, Secretary Bryan refused to give an inkling of his message to any one and even at the conference he spoke only after legislators had explained fully the public demand for alien land legislation that brought about the present situation.

Those who expected Secretary Bryan to expound a new theory of State's rights were disappointed, as were those who expected predictions of war. Advice in the name of President Wilsan was all Mr. Bryan had to offer, and the paramount question here tonight is whether such advice will overcome the previously announced determination of the Progressive Republican majority to enact an anti-alien land holding law along lines already agreed upon.

Secretary Bryan re-affirmed the State's right to act in a manner it saw fit, but suggested several alternatives to the passage of a bill restricting aliens "ineligible to citizenship" basing his reasons on the broad foundation of public policy. Briefly, these alternatives in the order in which they were suggested, are as follows:

1. Delay immediate action and allow the State Department to try to accomplish the ends desired by means of a new treaty with Japan.

2. Delay immediate action and appoint a commission to investigate the subject of alien land ownership and act in conjunction with the President in securing relief.

3. Enact a law similar to the statute in Illinois, which permits aliens to hold land for a period not exceeding six years and applies alike to all aliens.

4. Enact a law similar to the Federal statute governing land ownership in the District of Columbia, which is a general law applying to all aliens.

Of these alternatives, it may safely be said, according to leaders in the Legislature, that the last two are out of the question. Many Democrats favor turning the matter over to the State Department, while the Progressive Republican majority apparently remains unchanged in its support of a bill that would apply its restrictions to Orientals alone.

The conference with Secretary Bryan served to show the breadth of the sentiment in favor of an alien land law that shall be effective in checking the Japanese and Chinese immigration. A dozen or more Senators and Assemblymen declared the people of the State were almost a unit in demanding such a law, and it was threatened that unless the Legislature act at this time, the matter would be taken up through the initiative and passed by the people themselves.

The conference opened with Lieut. Governor Wallace in the chair and Secretary Bryan seated with Governor Johnson and Speaker C. C. Young, of the Assembly, on the platform. Secretary Bryan was introduced and in a brief statement asked the conference to tell him the exact situation.

"I was sent to Sacramento at the request of President Wilson," said Mr. Bryan, "to consult with the Governor and the members of the Legislature on the pending alien land legislation. I am more interested in the methods to be employed than in the end to be attained, and I would be pleased to hear suggestions from any of you before speaking further."

Senator Boynton, administration floor leader, thanked Mr. Bryan on behalf of the Legislature for his visit. He then outlined the situation for the visitor, saying in part:

"At the time President Wilson's telegram was received last week, announcing the wish to send Secretary of State Bryan to confer with this Legislature, there were two bills on this subject before the Senate.

"It was apparent that the people of the State were strongly in favor of the enactment of an alien land law, and such a law probably would have been passed before this time if it had not been for the telegram from the President. At his request we postponed further consideration of the matter until Mr. Bryan could present his views."

Senator Boynton then requested Mr. Bryan to point out specifically the objections of the National government and of Japan to the pending measures and to give his reasons from a diplomatic standpoint why California should not enact such a law. When Mr. Bryan remained silent, other members of the majority party urged him to comply with the request. Senator Caminetti, Democrat, suggested that a small group of members from both Houses to be selected to hear Mr. Bry-

IN THE WORLD OF SPORTS

BASEBALL - YACHTING - TENNIS - GOLF - MOTORING

CUBS TAKE FIRST PLACE

By Winning Three Out of Four, While New York Rests—St. Louis Took Sunday's and Yesterday's—Others Rained Out

The Chicago Cubs by winning yesterday's game from the Pittsburgh Pirates, moved into first place in the National League for the first time of the season, a jump since Saturday from a juggle for third, to the topmost position. Sunday's victory from the Pirates placed them firmly in second position, from which place they graduated to the top yesterday. New York was prevented from playing by rain, thereby losing a chance to grapple for the top seat.

St. Louis won Sunday's game from Cincinnati by a count of two to one, Johnson's wildness and opportune hitting by the locals contributing to the victory. The only feature of the game was the banishment from the grounds of Manager Joe Tinker and McDonald, for disputing a decision of the umpire. Yesterday the Cardinals won the last game of the series, making it three out of four games from Cincinnati. Cincinnati started off well, scoring three runs in the first inning, but wild pitches, hits and errors in the ninth lost the game.

Cubbs Go to Head of Class

Chicago, April 28.—Chicago moved into first place in the National League today by defeating Pittsburgh 8 to 5 in the final game of the series, while New York was prevented from playing by wet grounds. The game was more or less a farcial exhibition with each team contributing toward the end. Pittsburgh made three runs in the eighth by bunching half a dozen hits, coupled with an error.

Pitcher Hendrix could not find the plate in the local's half of the eighth and after walking two men was forced to retire in favor of Adams who also was wild. The locals, with the bases full on passes, bunched two doubles, a single and a sacrifice fly which gave them five runs and the game. Pitcher Toney in three times at bat made two singles and a triple. Heine Zimmerman, the regular third baseman for Chicago, injured his leg in yesterday's game against Pittsburgh in sliding to a base and was unable to play. It may be several days before he will be able to take up his regular position.

Pittsburgh	..	..002	000 030—5	11 3
Chicago	....	..100	002 05x—8	10 2

Hendrix, Adams and Kelley; Toney, Cheney and Archer. Time 2:15. Umpires, Brennan and Eason.

St. Louis Won Last

St. Louis, April 28.—St. Louis won today 7 to 5, taking three out of four games from Cincinnati. Cincinnati started off well scoring three runs in the first on Bescher's double, Becker's safe bunt, Tinker's triple and Marsan's sacrifice fly.

In the first St. Louis bunched hits with bobs off Powell and Works scoring four runs.

Huggins walked, took second on Smith's ball and scored on Konetchy's single in the second.

Cincinnati scored in the fifth on Becker's single, Tinker's double and Hoblotzell's sacrifice fly. In the 8th Sallee's third single, a sacrifice hit, a base on balls, a wild pitch and two singles scored two for St. Louis.

With two out in the ninth Cincinnati scored on Bescher's single, a steal of second and Becker's third single.

Cincinnati	..	...300	010 001—5	11 2
St. Louis	..	410	000 02x—7	11 2

Powell, Works, Smith, Packard and Clarke; Sallee and Wingo and McLean. Time 2:10. Umpires, Owens and Guthrie.

PREACHERS EAT TOO MUCH

Could Not Reach Over With Bending Their Knees

Washington, April 26.—After being urged to eat a little meat and plenty of peas, beans and eggs, 60 meat-eating ministers today took off their coats and tried to touch fingers to the floor without bending their knees. Few succeeded but progress was noted by a lecturer who came here to teach Pittsburgh preachers "how to get well and stay well."

"The food for a laboring man must be different from the food for a professional man," it was stated. "Every minister ought to eat at least two apples a day and plenty of cabbage. You must eat onions, too."

CAROLINA DEFEATS V. P. I.

Last Game on Home Grounds Won by Carolina Teams.

(Special Star Telegram.)

Chapel Hill, N. C., April 28.—In an erratic performance with V. P. I. this afternoon, Carolina played its last baseball game on the home grounds, winning a victory by the score of 7 to 3. V. P. I. out-hit Carolina in every frame but the wild twirling feats of Evans for the Virginians in which he licensed 12 men to walk and a variety of other errors gave the Tar Heels the marginal points accredited. Powell, Pick and Jones for the Virginians each got away with a three-base hit. Karl Bailey led in the hitting for Carolina.

VIRGINIA DEFEATS GEORGETOWN

Score Eight to Two in Washington Game Yesterday—Score.

Washington, April 28.—The University of Virginia baseball team today defeated Georgetown University 8 to 2. Neff's batting and pitching featured the game.

Virginia	.....	103	001 120—8	13 3
Georgetown	.....	001	000 100—2	12 4

Neff and Green; Feinle, Kelly and Mullaney; umpire Hughes; time 2:15.

BOY WONDER IN CAROLINA

Winston Lad Pitches No Run No Hit Game Against Durham

Greensboro, N. C., April 28.—Ray, an 18-year-old boy, signed by Winston-Salem in the Carolina League, today pitched a no run, no hit game against Durham. The youngster also exhibited perfect control. Winston defeated Durham six to nothing. Yon, for Durham, fanned 12 men but gave many bases.

Baltimore, April 28.—Abe Attell, of New York, was given the decision over George Chaney, of Baltimore, at the end of their 15-round bout here tonight. The men fought at 124 pounds.

CAROLINA-VIRGINIA GAME.

Grounds at Greensboro Not Available on May 10th—League.

(Special Star Correspondence.)

Greensboro, N. C., April 28.—President L. J. Brandt, of the Greensboro league team, has refused the joint request of Carolina and Virginia for Cone park on May 10th for the third Carolina-Virginia game of the series. Mr. Brandt did, however, tender the park to the collegians for either Saturday, May 3rd, or Saturday, May 17th. No games in the league are scheduled to be played here on those dates, while on Saturday, May 10th, Asheville plays the last of a series of three games on the local diamond and the Greensboro league management does not feel justified in sacrificing a probably large attendance in the afternoon by allowing the use of the grounds during the morning for the Carolina-Virginia game. "We will be very glad indeed to turn over the park on any other day than one on which the Greensboro club is scheduled to play here," said Mr. Brandt.

EXPRESS OFFICE BURNED.

Newbern Had $10,000 Fire Early Last Night—Rats Cause.

(Special Star Telegram.)

Newbern, N. C., April 28.—Fire believed to have been started by rats in the "old hoss" room of the building on Craven street, occupied by the Southern Express Co., shortly after 7 o'clock tonight caused damage estimated at $10,000. The building is owned by Dr. Frank Hughes and is located right in the business section of the city. The blaze was discovered by a pedestrian about 20 minutes after the office force had locked up and gone home. At that time the fire had gained considerable headway and it was with difficulty that the firemen succeeded in extinguishing the conflagration. Practically everything in the express office was ruined and Manager Z. V. Taylor estimates the loss at $9,000. The second floor of the building was occupied by law offices, the contents of this floor were damaged only by smoke. The damage to the building is estimated at $1,000. Both the express company and the owners of the building carried some insurance.

THE COUNTERFEITERS' DELIGHT

Bank Presidents and Cashiers Complain Against Washed Money

Washington, April 28.—Letters from 587 bank presidents and cashiers throughout the country protesting against washed money and proclaiming it "the counterfeiters' delight," were offered for printing as a public document today by Senator Martine. Objections from Senator Smoot prevent the printing.

During the discussion, Senator Martine said a bank president in Tennessee had written him declaring that the "man should be tarred and feathered who put pantaloons on the American eagle adorning our currency." Senator Gallinger suggested that the Treasury's laundering process might "wash the pants off."

Akron, O., April 28.—Matt Brock, of Cleveland knocked out Eddie O'Keefe, of Philadelphia in the fourth round of what was to have been a 12-round bout here tonight. A right upper to O'Kee's jaw finished the fight.

Recommended for a Good Reason.

Because they cured him of kidney and bladder trouble, C. H. Grant, 230 Waverly St., Peoria, Ill., tells the result of his taking Foley Kidney Pills. "Backache and congested kidneys made me suffer intense pains. Was always tired and floating specks bothered me. Took Foley Kidney Pills and saw big improvement after third day. I kept on until entirely freed of all trouble and suffering. That's why I recommend Foley Kidney Pills. They cured me." They are tonic in action, quick in results.

A. L. GAMES RAINED OUT

No Games Played Yesterday and Only One Sunday, in Which St. Louis Defeated Chicago—A Few Comments

Neither Washington or Boston won any games yesterday, as there was no games to win, both Shibe Park and Highlander's Field being totally unfit for publication. In fact, all games scheduled in the A. L. for yesterday were crabbed by the brutalities of J. Pluvius.

The weather man is probably about as popular at Detroit at the present time as an Orangeman at a Catholic fair. The National Commission had announced that pending an official action on the reinstating of Ty, he would be allowed to play ball in the present series with the Cleveland Naps, and thousands of partisan Tiger fans and fannabelles had planned to welcome him at his initial appearance in Sunday's game, but there wasn't any game Sunday, and there was the same yesterday. Today the Chicago White Sox go to Detroit for a two-game series, and the elements permitting, Cobb will be seen in today's battle.

As we have risen to remark before, there is no way of forecasting the dope. Grantland Rice demonstrates this fact by recalling that Joe Tinker this Spring looks to have a much better ball club than Hank O'Day had last Spring. In fact, Joe has the same machine strengthened at short and in the box—strengthened thereby over 25 per cent. Yet when O'Day broke into one of the greatest rushing starts that ever featured a Redland year, Tinker has broken into one equally disastrous. Where O'Day couldn't lose, Tinker can't win. The Reds are far back of their ranking a year ago, but for all that have given flashes of much better stuff, and once under way are likely to hold a better balanced clip than under O'Day.

Rice further says that the two fastest clubs in the game this Spring, figured solely on the basis of hoof-speed, belong to John McGraw and Clarke Griffith. Each leader can claim even fast sprinters which means that these two clubs can get more out of average batting than any others in the game. Griff figures that his club was either going badly or out of gear in almost every series he faced the Athletics last season—a fact which he believes accounts largely for his dropping 13 of the 20 Athletic contests. The Washington leader is confident that with Johnson leading the charge he will be able to check the Philadelphia uprising and make a far better showing. Either Washington and Boston stop the Mackmen or they will meet but few flag stations along the route, one of which will be Ed. Walsh.

And as a side remark to this preamble, by the time Walter Johnson gets through with American League batting averages this season there won't be enough left to plug the eye of a bush league needle. The Senatorial wonder is now working as no slabman in the game ever worked before. Forty-four innings so far this Spring without an earned run: 27 rounds of championship stuff with one run scored, and that unearned.

Cincinnati, April 28.—Phila Brock, of Cleveland, and Young Saylor, of Indianapolis, fought ten rounds here tonight. No decision was given. At the close the boys were fighting fast with no apparent advantage either way.

SPORTS AT A. & M.

Assistant Coach of Football—Team Back From Trip—Notes.

West Raleigh, N. C., April 28.—The A. & M. football team will have as assistant coach next year Jack Hegarty, who was captain of the Georgetown University football team last year, and one of the best tackles in the South Atlantic States. Eddie Green will again be head coach, and with the valuable assistance of Hegarty should be able to turn out a fast team for the Techs next year.

The football team has been holding Spring practice for the past week, which will continue every afternoon until school closes. Capt. Hurtt, with the assistance of Floyd and Seifert, are carrying the men through light practice including running down under punts, falling on the ball and signal practice. About 25 men are out.

The baseball team has just returned from its Northern trip and after three days rest will go into the biggest game of the season on Wednesday afternoon with Carolina. This will be the first time these teams have met in seven years and a record-breaking crowd is expected. According to comparisons the teams are very evenly matched. It will probably be a pitchers' battle between Russell, of A. & M., and Aycock, of Carolina, these being two best college pitchers in the State. Both teams are hitting well, the team average of the Techs for the season being about .270, with five men batting over .300.

Bridgeport, Conn., April 28.—In a ten-round bout here tonight Freddie Welch, lightweight champion of England, easily outpointed Al Ketchel, of this city.

GREENSBORO'S PRIMARY.

Second Under New Commission Form of Government—Candidates.

(Special Star Correspondence.)

Greensboro, N. C., April 28.—Greensboro today held its second municipal primary under the commission government charter, nominating for each of the four elective offices two candidates who will make the final race in the election next Tuesday. There are four offices to be filled, Commissioner of Finance and Mayor, Commissioner of Public Works, Commissioner of Public Safety and Judge of the Municipal Court. For the first named there were but two aspirants, Mayor Murphy finding opposition in the person of W. M. Perdew. The other offices had from three to five aspirants. Voting today was at only two polling places and for this reason rather slow and tedious. About 1,800 of a registration of 2,500 voted.

Some delay was caused tonight in completing the results, which were announced as follows:

For mayor, T. J. Murphy, 1,097; W. M. Perdew, 225. Commissioner Public Safety, R. M. Rees, 789; B. E. Jones 523; H. C. Perkins, 34; W. B. Sellars, 25. Commissioner Public Works, J. G. Foushee, 1,030; W. T. Sergeant, 166; J. H. Wolfe, 130. Municipal Judge, S. Glenn Brown, 739; C. A. Hines, 595; G. M. Patton, 17. In all instances the old officers received a clear majority over the field of aspirants and the results are regarded as a splendid endorsement of the old board in the administration of the city's affairs under the commission form of government.

FOREIGN TOBACCO COMPANIES

Investigation Will Begin Today—Maj. Stedman on Committee

Washington, April 28.—Investigation of foreign tobacco companies which buy tobacco in the United States, will be begun tomorrow by the joint Congressional committee named at the last session. Senator Martin is chairman of the commission and Senators Lodge and Brandagee, Representatives Flood and Stedman, and Former Representative McKinley are members.

Charges were made before the Senate last year that foreign concerns fixed prices of tobacco abroad and refused to pay more in this country. The Imperial Tobacco Company of Great Britain, one of those interested in the inquiry, is now under indictment in Kentucky for violation of the Sherman law.

Pimples Should Be Watched

May be Means of Absorbing Disease Germs in Most Unexpected Manner.

Make Your Blood Pure and Immune With S. S. S.

The world renowned laboratory of the Swift Specific Company has collected a vast amount of information regarding the spread of blood diseases. In thousands of instances the most virulent types have been the result of coming in contact with disease germs in public places, and the apparently insignificant pimple has been the cause. It spreads with astonishing rapidity, often infecting the entire system in a few days.

It is fortunate, however, that there is a remedy to cope quickly and thoroughly with such a condition, and thanks to the energy of its producers the famous S. S. S. may now be had at almost any drug store in the civilized world.

This preparation stands alone as a blood purifier. It is somewhat revolutionary in its compositon, since it accomplishes all that was ever claimed for mercury, iodides, arsenic, and other destructive mineral drugs, and yet it is absolutely a purely vegetable product. It contains one ingredient which serves the active purpose of stimulating each tiny cellular part of the tissues to the healthy and judicious selection of its own essential nutriment. There are more cases of articular rheumatism, locomotor ataxia, paresis, neuritis, and similar diseases resultant from the use of minerals than most people are aware of. These facts are brought out in a highly interesting book compiled by the medical department of The Swift Specific Co., 137 Swift Bldg., Atlanta, Ga. It is mailed free, together with a special letter of advice, to all who are struggling with a blood disease.

Get a bottle of S. S. S. to-day of your druggist. It will surprise you with its wonderful action in the blood

RATE CONFERENCE RESUMED

Commission and Railway Officials to Assemble Again at Raleigh—Several Corporations Including Hotel Co.

(Special Star Correspondence.)

Raleigh, N. C., April 28—Letters and telegrams are already pouring in to Governor Craig from shippers in all parts of the State urging that he and the legislative commission on freight rate adjustment stand firm in their contest with the railroad companies for concessions that will relieve shippers from discriminations they suffer now compared with the rates in force to Virginia cities.

Large numbers of interested shippers are coming to Raleigh tomorrow to be here for the conference between the commission and the railroad officials at which time the railroad officials are to give an answer to the Governor and the commissioners as to their acceptance or rejection of the counter proposition made by the commission at the former conference when the commission refused to accept a proposal of something like 5 per cent. cut in rates and submitted a proposition involving about 25 per cent. reduction, being the rates in force locally on the Southern, Danville, Va., to Washington, D. C. It was this proposition that the railroad people asked time until April 29th to consider in the hope of getting at some adjustment. At the same time they declared that as they saw the matter at that time such rates would be ruinous to the railroads. There is a very general hope that the commission and the railroad officials can get together on some sort of an equitable and fair compromise that will avert what threatens now to be the beginning of a long, bitter and costly legal contest that may involve the calling together of the Legislature in extra session to deal directly with the situation without waiting until next January as has been the plan for convening the extra session for constitutional amendment matters mor especially.

D. M. Moser has been appointed receiver for the Bank of Claremont, Catawba county, one of the four banks that the State's Trust Co., had opened before the Corporation Commission put the concern out of business. C. W. Stacey, of Wilmington, and not Chas. Ross, of Harnett, has been made receiver for the State's Trust Co., the receivership being on application of Chas. Ross, who is receiver for the Bank of Angier, one of the chain of banks closed.

Charters were issued for four new corporations today. The Nuera Canning Co., of North Wilkesboro, capital $125,000 authorized and $6,300 subscribed by J. E. Finley, J. C. Smoot and others for general canning business. The Lumbee Hotel Co., of Lumberton, capital $100,000 authorized and $20,000 subscribed by Dr. W. A. McPhaul and others. The Lineberger Electric Appliance Co., of Gastonia, capital $10,000 authorized and $2,100 subscribed by L. T. Lineberger, J. W. Wilkins and others. The Freeze Drug Co., of China Grove, capital $10,000 authorized and $3,000 subscribed by W. Scott Freeze and others.

CAMPAIGN FOR BONDS.

Kinston Rallying to Support of Schools To Locate Big Plant.

(Special Star Correspondence.)

Kinston, N. C., April 28.—Public speakings are being held in every part of Kinston every night this week, in a whirlwind campaign for school bonds to be voted at the municipal election on May 6th. Leading members of the bar and other local men of prominence are taking active part in the campaign.

The Virginia Box & Lumber Company, a big corporation of Petersburg, has decided to locate a mill in this section of the State, and Kinston, Goldsboro and other towns are hoping to secure the plant. Extensive timber holdings of the Virginia company are located in the Seven Springs neighborhood, about equi-distant from Goldsboro and this city. It will be necessary for the corporation to build a railroad connecting the timber lands and the plant, wherever it may be located, and if encouraged a passenger and freight service will be operated, thus giving the rich Seven Springs section and the famous mineral springs there connection by rail with a large system. The president and directors of the company are coming to this section this week, and are expected to visit both Goldsboro and Kinston, and probably other places which have made them overtures.

ASHEVILLE STREET CAR STRIKE

Mob Gathered Last Night to Head Off Strike-Breakers

Asheville, N. C., April 28.—This, the third day of the strike of the motormen and conductors of the Asheville Power & Light Company, operating the street railway system of this city, found practically no change in the attitude of either the company or the men. Company officials stated tonight that they had no statement to give out, other than those previously given to the effect that the company could not afford to meet the demands of the strikers who ask an increase in wages averaging three cents an hour. No cars were operated today on any of the company's lines, nor is there any prospect of changed conditions tomorrow.

Following unconfirmed rumors that a squad of sixty strike-breakers was on the way to this city from Salisbury tonight, a mob of three or four hundred men and boys quickly formed on Pack Square, many of them, it is reported, being armed. An apparently reliable report from Salisbury, however, was to the effect that no strike-breakers were aboard Southern train No. 35 and the mob later dispersed.

A citizens' petition was presented to the aldermanic board tonight asking that body to meet in special session and enact an ordinance forbidding the operation of street cars by men not familiar with the streets of the city. This action is looked upon as an effort to keep the strike-breakers out by legislation. The petition was referred to the city attorney with instructions to report at a later meeting as to the powers of the board.

Officials of the Street Carmens' Union stated tonight that the strikers are still willing to submit the present dispute to arbitration and that they would be willing to abide by the finding of a non-partisan board.

Heed the Cough That Hangs On

The seeds of consumption may be in lurk and a cough that hangs on weakens your system, and lowers your vital resistance to disease. Take Foley's Honey and Tar Compound. It stops the cough, heals the inflamed membranes and strengthens the lungs. E. D. Rountree, Stillmore, Ga., says: "La Grippe left me with a deep seated hacking and painful cough from which I could get no relief until I took Foley's Honey and Tar Compound. It completely cured me." Refuse substitutes. For sale by Robt. R. Bellamy.
(Advertisement.)

..Theatrical..

Friday night at the Academy of Music Wilmington peop will be offered the most brilliant musical treat of many seasons. Upon that occasion Alessandro Bonci, the famed lyric tenor, who ranks with Caruso, Scotti and others of this grand opera class, will make a special appearance and will be assisted in his recital by Miss Martina Zatella, a noted soprano and a grand opera pianist.

The engagement of Bonci will be made a pretentious fashionable event, such as his appearance deserves, and it is hoped that Wilmington people will show substantial appreciation of the visit and crowd the Academy. It will be a rare occasion and one that will not roll around again in many years. Added interest in the event comes by reason of the fact that Bonci will appear under the auspices of the North Carolina Sorosis, the proceeds from the concert being devoted to the club house fund. Ladies of the Sorosis are now offering tickets for sale, which can be exchanged for reserved seats at Plummer's tomorrow, and, by the way, the reservation tomorrow will be for the holders of these exchange tickets. The reservation will be open to the general public commencing Thursday morning.

At the Bijou.

Another great special two-reel release film at the popular Bijou today. Verily is this favorite spot of Wilmington amusement-lovers doing sensational and expensive stunts these days. The price of admission is never raised, being always kept down to the low figure of 5 cents, afternoon or night.

Heading today's big Bijou bill is another two-reel film, and it's Lubin's latest effort—a masterpiece of dramatic construction and elaborate production. The film is called "Heroes One and All" and the scenes take place in the heart of a great city. It is alive with a love story, which ends in one of the most thrilling and the most pretentious and costly fire spectacles ever witnessed. Trapped by a burglar a young clerk fights for his life, the big office building catches fire and the pair can't escape. The hello girl hears the noise and conversation over the wire, the telephone receiver having been knocked off the desk. She phones to the fire and police departments, and they respond promptly. There appears no escape, but the burglar jimmies a locked door, cuts through a steel shutter and finally they are rescued. There are many exciting scenes and acts of daring and bravery leading up to the startling climax.

Besides this giant two-reel special release the Bijou offers another great dramatic in Selig's "Greater Wealth". It is a dramatic dealing with the problem of today and it is a gripper. There will also be plenty of new music, and, of course, the Bijou is invariably delightfully comfortable. That is one of its biggest features.

Four Pictures at the Grand.

Yesterday was another great day at the Grand Theatre and amusement seekers flocked there by the hundreds and hundreds and were delighted with the bill and the new singer, Mr. James E. Bastable, who promises to be a great favorite at the theatre during the coming weeks. His voice caught the audiences and for today he will sing "Killarney, My Home Over the Sea."

One of the pictures will be most interesting just at this time while the political pot is boiling. The title is "The Will of the People" and it is an Edison of the stress of political times in an American city. Then another of rare interest will be a Selig, "God's Way," adapted from a recent occurrence in real life. The scene opens in a penitentiary and an absorbingly interesting story is told from start to finish. Another particularly pretty picture is a Lubin, "A Florida Romance." It will thrill and stir all the gentler emotions of the heart and should be seen to be appreciated.

FUNERAL OF MR. BROWN

Esteemed Citizen of Warsaw Laid to Rest on Sunday

(Special Star Correspondence.)

Warsaw, N. C., April 28.—The funeral of Mr. Isaac Brown, who died suddenly early Saturday morning, was conducted from the Baptist church at 11 o'clock yesterday morning by the pastor, Rev. A. O. Moore. Hundreds of friends from over the State attended the funeral. The body was laid to rest in the Warsaw cemetery.

Mr. Brown was born March 5th, 1841, and was 72 years of age. He served valiantly during the Civil War as a member of Company A, 43rd Regiment, having been wounded in 1864 at Snicker's Gap, Va. He had been a merchant at Warsaw from 1865 to 1895. He lived at Pilot Mountain from 1895 to 1898, but has since resided at Warsaw where he was held in the highest esteem. His first marriage in 1865 was to Miss Mary Wilkins, of Beulaville, and she preceded him to the grave in 1898. He married in 1900 Miss Alice Loftin, of Mount Olive, who survives him. There are also surviving a brother, M. W. Brown, of Beulaille, and a sister, Mrs. Margaret Sharpless, of Kenansville. There are also surviving five daughters, Mrs. John R. Bissett, of Raleigh; Miss Ella E. Brown, Warsaw, and Mrs. Samuel C. Miller, Mrs. J. T. Parrish and Mrs. John G. Pepper, of Winston-Salem; also one son, Mr. Paul H. Brown, of Charlotte. All have the sympathy of many friends in their sorrow.

"Killarney, My Home Over the Sea."

Mr. Bastable will sing it at the Grand Theatre today. He has made a great hit. Hear him today.

LOST BEAUTY OF WOMEN

Can be Remedied in Many Instances, According to Statement of Mrs. Lucile McElroy.

Laurel, Miss.:—In a letter from this place, Mrs. Lucile McElroy says: "I was sick for three years with backache, headache, pains in my stomach and back, low down. At times I could not do a thing, I was so weak.

After I was married, I thought I would try Cardui, the woman's tonic, and after using two or three bottles, I couldn't tell one day from another—felt good all the time.

I not only still use Cardui, but advise every lady I think needs it, to give it a trial, and several whom I have persuaded, say they have obtained great relief.

Another good thing I have noticed about Cardui is that it fills out hollows under the eyes, which are sunken as if from a bad spell of sickness. It fleshens up a woman's eyes, and makes them look bright and plump. Many a woman would be pretty if it were not for her sunken-in eyes.

I believe that Cardui, the woman's tonic, is the only treatment for women."

Do you suffer from womanly trouble? If so, give Cardui, the woman's tonic, a trial.

Judging from the experience of a million other women who have been benefited by this remedy, it should surely do you good.

N. B.—Write to: Chattanooga Medicine Co.; Ladies' Advisory Dept., Chattanooga, Tenn., for Special Instructions on your case and 64-page book, "Home Treatment for Women," sent in plain wrapper.

Use less Butter—More Cottolene

No wonder butter is so high. Particular women who are loath to use lard or cooking butter in their cakes and fine pastry, use table butter. With butter at the price you have to pay for it, that's downright extravagance. **Cottolene** is just as good as butter for pastry; for frying, it is better. And **Cottolene** costs no more than lard. Moreover, **Cottolene** is richer, and two-thirds of a pound of it will go as far as a pound of butter or lard.

And lard and **Cottolene** are not to be mentioned in the same breath, for **Cottolene** is a vegetable product, healthful, always safe—makes digestible, rich, but never greasy food.

EXTERNAL VAPOR TREATMENT—Best For Croup and Cold Troubles

VICKS Croup and Pneumonia SALVE

No need now to dose your stomach with nauseating drugs, simply apply the new treatment Vick's Croup and Pneumonia Salve well over chest and throat. Cover with warm flannel cloth. Give the patient plenty of fresh air. The worst cold is relieved in one night; croup in fifteen minutes. The curative vapors are confined in the salve, and when applied to the body the heat releases them and they are inhaled through the nostrils and mouth. These vapors reach the affected part immediately, insuring quick relief; no danger of an upset stomach; no interfering with the digestive organs. The treatment is entirely external.

Vick's Croup and Pneumonia Salve comes in three sizes—at all druggists, 25c, 50c and $1.00. Sample mailed on request. Vick Chemical Co., Greensboro, N. C.

Over a Hundred Years of Coffee Goodness

COFFEE over a hundred years old! Coffee that delighted famous men of historic old New Orleans! Coffee so *good* that it has been an undisputed leader for a century in spite of thousands of modern blends and brands! Coffee composed of the world-renowned Pan-American berries, prepared by our

Unique Hygienic Roasting Process

that eliminates harmful elements and intensifies its natural flavor and aroma! Until the French Market Mills were built, genuine old

French Market Coffee

could be had only at the old French Market, New Orleans. But NOW you all may serve it, daily, at your own table. For the identical rare French blend is perpetuated and French Market Coffee is now delivered everywhere in hermetically-sealed tins.

"There is only *one* real old French Market flavor"—only *one* coffee with a history.

THE MORNING STAR

WILMINGTON STAR COMPANY, INC., Wilmington, N. C.

Entered as second-class matter at the postoffice at Wilmington, N. C., under Act of Congress, March 2nd, 1874.

FULL ASSOCIATED PRESS REPORT.

Tuesday, April 29, 1913.

Once more we announce that it's May for us.

In this case, it will be better for California to recede than to secede.

The difference between an escapade and a lark is that when a girl runs away she isn't out on a lark like a boy.

Some men who manage to keep quiet under trying circumstances do so because they are merely the defendants in the case.

A soft answer may turn away wrath, but apt as not the other fellow goes away under the impression that he made you do a little crawfishing.

In order to make a strawberry shortcake, use North Carolina strawberries and don't eat all the shortcake while you are dishing it out for the table.

A cablegram from the Philippines announces that the Moros have quieted down again. However, the Moros don't seem to keep quiet long enough to contract the habit.

Only about one-tenth of the people will have to dodge the income tax. The other nine-tenths will agree to pay the tax if the one-tenth will divide their incomes with them.

We are told that indigestion causes the death of the majority of ostriches in captivity. The probability is that ostriches are fed some of the things that men are accustomed to eating.

Be sure that your grape juice is juice but if it is grape juice don't add sugar to it and set it aside to ferment. It will then become wine and fool you if you wish to indulge in it as grape juice.

Atlanta, having been under the spell of grand opera, the probability is that a great many amateurs will shut themselves in and make a noise like the house is on fire. It'll be nothing but Atlantians trying to imitate Caruso.

Mr. Silas Wright, of Renick, Mo., married a Miss Wright, and now his son Ollie Wright has been married to his step sister, Miss Pearl Wright. Evidently the family would rather be Wright whether they are right or wrong.

The Agricultural Department at Washington sends out rules for keeping preserves. The recipe is all right so far as it goes but it fails to state what should be done with little Willie in order to keep preserves for any great length of time.

While the Democrats appear to be disposed to be economical about increasing the fighting strength of the United States navy, they should remember that the time to quit building battleships is when the European nations quit enlarging their fleets.

We don't know that it is a good idea for women to want insist upon competing with men, but if it is their desire to do so men ought to show that they are not monopolists to the extent that they don't want to give the women a chance to give them a run for their money.

Germany is preparing to spend $35,000,000 for airships to be used for military purposes. France is spending $6,000,000 for the same purpose, and Great Britain is to spend a vast sum but cautiously keeps the amount secret. These nations appear to be getting ready to go up in the air at the slightest note of alarm.

The average man often mistakes a preogative for a right. Many a man thinks he believes in "equal privileges for all," but when he gets into the Legislature or Congress, somebody fools him into voting them some special privilege out of all proportions to the privileges of the average man who has all he can do to hoe his own row.

Says the New Orleans States: "A standpat newspaper says there are people who believe a high protective tariff benefits the working man and brings prosperity to the consumer." Quite true, and there are also people who believe in gold bricks." Evidently the working men don't believe it or else they would not organize unions and depend on strikes to get what's coming to them.

A Kansas judge has decided that a newspaper can differ with a judge and criticise the law, but he holds that such a perogative does not justify an editor "to impugn the motives of the court or to charge corruption and infamy and thereby attempt to bring our courts into disrepute." A judge ought to be perfectly willing for an editor to file a dissenting opinion in a case, for the Supreme Court is more than apt to confirm the court, thus, in effect, indicating that a newspaper judgment may be rendered in accordance with the traditional necessity that "knows no law."

REACTIONARY PROGRESSIVES.

In the tariff debate in the House last Saturday, Representative Lawrence B. Stringer, "a new Democrat from Illinois," made his first appearance on the floor in a role that has heretofore been overlooked by the old members. This first appearance calls for an encore and no doubt we will see him coming back during the tariff debate, to the discomfiture of the opposition.

Notwithstanding the nation-wide knowledge of the iniquity of the Republican protective tariff, under which the masses have been exploited for the benefit of the already bloated beneficiaries of privilege, the so-called Progressive party in Congress has lined up with the Republican protectionists against the people. They have lined up against tariff revision, and are not only apologists for a tariff which the average man must know is wrong and outrageous and has been condemned by the people, but are standing in with the privilege crowd to defeat a measure for the relief of the people. They have done that in the face of their own party platform pledge, but "the new Democrat from Illinois," did not propose to let them get off with it.

Mr. Stringer didn't do a thing but flaunt it into their faces that they are going back on their platform and giving the people a raw deal. He had them where the hair was short, for he confronted them with their platform of humbuggery. That platform pledged immediate revision of a tariff which caused a revolt in the Republican party and was responsible for insurgency. Mr. Stringer strung them up and reminded them of their platform pledge to revise "excessive tariff schedules" without waiting for their proposed non-partisan tariff commission. Everybody knows how iniquitous some of those excessive schedules are, and the Progressive party platform recognized their iniquity by promising to revise them. However, its representatives in Congress are sitting steady in the boat with the Republican defenders of the policy of taxing the masses to enrich the privilege classes.

In view of their platform pledge, "the new Democrat from Illinois" reminded the Progressives that if they wished to carry out their party declarations they should support the Underwood bill. The Progressives offer the excuse that they favor a non-partisan tariff board, but while that is true, Mr. Stringer broke it off in them by reading to them this concluding portion of their tariff plank: "The work of the commission should not prevent the immediate adoption of Acts reducing those schedules generally recognized as excessive." That is where the Illinois Representative nailed them to the wall. Waving that quotation over his head and in the faces of the Progressives, he need not have done anything else to have demonstrated to the Bull Moosers that they are inconsistent and not entitled to the confidence of the Progressive voters who supported them in the belief that they were different from special privilege Republicans.

Mr. Stringer placed the Progressives in a position where their hypocrisy was held up to their own view as well as to the millions of voters who believed that the Progressive party's platform was a pledge to the people. At the first opportunity they have had in Congress, the Progressives have proven reactionary and failed to appeal to the confidence of the people.

LINES TO THE ARGENTINE.

The building of the Panama Canal has served to emphasize the advantages of our Southern ports for commerce with South American countries. Much store has been laid by the canal because of its possibility for building up the commerce of South Atlantic and Gulf ports, whereas if the canal had never been constructed there already existed great opportunities for commerce between those ports and the ports on the east coast of South America. They have overlooked that, but the Isthmian waterway is serving a good purpose in reminding us of it.

The Panama Canal opens up the way for commerce between our ports and such countries as Chile and Peru on the west coast of South America. It also opens the way for commerce with the Orient and between the Atlantic and Pacific ports of our own country, but the fact remains that all this time there has been but one thing in the way of commerce between Southern ports and such countries as Argentina, Brazil and other east coast countries with a much greater commerce than countries on the west coast of South America. That one thing is the lack of steamship service. Now, however, the canal has accentuated the advantages of our Southern ports and they are likely to get all the steamship service they may require.

New Orleans has long desired a regular line to eastern South American ports, and it was recently announced that the Weir Line, a British company, would run its steamships to New Orleans on a regular schedule beginning June 30th. Now comes the announcement that the Lamport & Holt Line has suddenly realized the possibility of commerce between New Orleans and the River Platte. The New Orleans States says the latter line will begin operations contemporaneously with the Weir Line, but the States fears a rate war because of the competition, with the final result that both lines may get cold feet.

Instead of being afraid of competition, New Orleans should begin to look for export cargoes for both lines. At present New Orleans is a great coffee importer, but she lets the incoming ships return to Europe empty to get cargoes for the return trip to South America. It is quite plain that New Orleans should reach out for exports and load ships back to South America. No port should be content with an import business.

Anyhow, with regular lines seeing the possibilities and recognizing the opportunities of Southern ports, and two already pressing on New Orleans, why can not Wilmington induce one of them to come here? Attention has been centered upon New Orleans when there are equally as great commercial opportunities on the South Atlantic. By the way, New Orleans got both lines because she has been after them. With the Panama canal opening Southern ports to the trade of the world, there will be no difficulty about getting ships. Who will get the cargoes for them?

CURRENT COMMENT.

It is a fact that English manufacturers do not bring their plants to this country to reap the benefits of our protective policy and it is also true that England could drop free trade and adopt protection if she thought it best for her people.—Durham Herald.

Wilmington's new hotel as projected is to be 10 stories high, containing 149 rooms and use in its construction steel and concrete. Wilmington is all right—except, of course, that cruel geography keeps her out of the North Carolina League.—Charlotte Observer.

North Carolina, with the great progress which it has been making in the first ten years has seen the value of real estate increase wonderfully. The tax books of the State should show this in an equitable manner. What is needed is an assessment of property which will be just to all. That is a need which should be met by the Constitution Amendment Commission, and of it evolves a working plan to secure this it will have done a great work.—Raleigh News and Observer.

A North Carolina newspaper complains of the bad quality of the corn shipped into the State from the West. That there should be any such shipments is bad enough without reference to the excellence or otherwise of the article imported. There is no reason whatever why North Carolina or Virginia should be buying grain from any quarter. Both of them are entirely capable of producing all the corn, wheat and hay their people could possibly consume, with a surplus to sell to less favored communities.—Gordonsville (Va.) Gazette.

When a State of this Union rises, like California in the present instance, to avow and sustain its sovereign independence even at the cost of making a spectacle of itself and a joke of the nation, it is doing the very thing most calculated ultimately to break down that same sovereign independence. State's rights, in the long run, will not be strengthened, protected or maintained by the doing of indefensible things by the State. No one State has the right to make itself an imposition on all the rest of the country. The State that truculently attempts to drag the nation into a quarrel is the worst enemy of he cause of real independence of the States.—New York Press Progressive.

Harry T. Patterson informed The News last week that the report on the Cape Lookout harbor of refuge project would probably be sent into the general board at Washington City in about 10 days. He thinks that the call for bids for the construction of the great sea wall will be issued in about six weeks or two months. The successful bidder will be given from six to eight months in which to begin work. It begins to look as though it will be another 10 or 12 months before actual construction work will be started on the breakwater. However, in the interim Carteret county is likely to see great activity in railroad building. It is expected that the Norfolk Southern will start on its extension to the cape immediately after the contract is let for the construction of the sea wall.—Beaufort (N. C.) News.

A RAILWAY INCIDENT

Fayetteville, N. C., April 25th, 1913.
Editor Morning Star, Wilmington, North Carolina.

Dear Sir: A letter from your special Lumberton correspondent, which appeared in your Sunday issue of the 13th inst., and which I reproduce in full, contained a paragraph which recalls a most unpleasant incident that occurred on that line when I was on my way to Fayetteville last February from Black Mountain, where I had been to arrange for a Summer home:

"There might have been an awful calamity on the Seaboard last night if the conductor on No. 44 had not kept cool. It was this way, as given to us by passengers on the train. Some great big, ugly bully, composed mostly of hot air, got on the train at Hamlet with a ticket for Fayetteville, via Maxton. When the train reached Maxton the train for Fayetteville had gone. When the gas bag discovered that he was left he returned to the Seaboard train and said he was going on to Pembroke. When the conductor came around, the thing, it could not be called a man, refused to pay the quarter for riding to Pembroke. He made so much noise that it was seen by the ticket puncher that if he caused the train to stop ot unload the gas there was danger of the whole train being lifted from the track and in all probability being thrown out into the woods, passengers and all. It makes one shudder to think of what might have happened if that conductor had not decided to pay the quarter himself. The old big bluff is said to be a traveling man, claiming Fayetteville as his home. We don't believe Fayetteville would let a man like that stop there long enough to change cars."

I had my mileage pulled for a through ticket from Black Mountain via Charlotte, the Seaboard Railroad and Maxton, the only route which would bring me home the same night. After eating my supper at Hamlet, I found I had either been robbed, or lost my money, and had but 6 cents left. No. 44 was delayed at Hamlet for nearly two hours, awaiting the arrival of the southbound train on the main line, and it became apparent before we left there that we should not make connection at Maxton. I felt no uneasiness on that score, as on two previous occasions, when the train failed to reach Maxton in time, the passengers booked for Fayetteville, including myself, had been carried without extra fare to Pembroke, a distance of eight or ten miles, where they could strike the late train on the Atlantic Coast Line, the same mileage ticket being used from that point to Fayetteville as from Maxton. To my surprise, after the train had gotten about a mile below Maxton, the conductor, whose name I cannot now recall, demanded my fare. I told him I had but 6 cents on my person; that I had either been robbed or lost my money and asked him to pull the requisite mileage from my book or take my check for the amount, which was a quarter. He refused both propositions, and in so doing I knew that he was acting strictly within the rules of the railroad, which forbid conductors to take checkes or to pull mileage on train. I then tried to find some one who would loan me the requisite amount, but there was not a familiar face among the passengers on the car. I pleaded and remonstrated. The prospect of a man past his 75th birthday being thrust out of the car by a brutal conductor after 11 o'clock, on a dark Winter night, to remain till morning on a narrow embankment in the midst of a swamp, with dangerous bridges or trestles to cross before reaching a shelter, was, to say the least, not a cheerful one. Those who have had the misfortune to travel over the line, will remember that below Maxton the railroad passes through a swampy country and crosses Drowning creek or Lumber river three times within a very short distance.

Twice the conductor grasped the bell rope to pull up the train. His manner was rude and insulting, his language coarse and threatening. He was evidently excited and not a little elated at the prospect of exercising a little brief authority and thus winning promotion at the hands of his superiors by being a strict disciplinarian. Finally casting his eye about the car and posing as though he were about to do an act of great magnanimity, he said he would loan me a quarter and handed me a small strip of paper, which purported to represent that amount, and which insured my protection from his brutality. When we reached Pembroke the late train on the A. C. L., northbound, was just heading in. I rushed into the station, got my mileage pulled and as I came out with my book in my hand I saw the conductor standing by his train and said to him: "Please give me your name and address and i will send you the quarter." He spied the mileage book and evidently the fear, looming up large in his mind, of losing his money, overcame his scruples as to the rules and regulations, and he clipped the requisite mileage.

If the "big ugly bully," "the traveling man from Fayetteville," whose behavior is so luridly discribed by your correspondent, was in the same predicament and treated with the same brutality as I was and had given the conductor a genteel thrashing, the latter would have got what he deserved.

And now that I am on the subject of the Seaboard Air Line I deem it pertinent to say a few things about its treatment of its patrons. I am not a drummer or commercial traveler, but I have had occasion to travel over most of the important railroads in this country and in Europe, either on business or pleasure, and have been invariably treated with kindness and courtesy by the conductors, with two exceptions and those exceptions occurred on the Seaboard Air Line.

During a business career of nearly half a century, now drawing to a close, I have had occasion to ship thousands of carloads of produce over the different transportation lines, hundreds of them over the Seaboard. There will always be at times more or less friction between shippers and transportation companies; there will be claims, growing out of errors of agents, overcharges in rates, misrouting, damages in transit, etc., but I have generally found these claims to be handled honestly and ultimately paid, when just and based on proper proofs, by all lines except the Seaboard. Although I ship by that line only when compelled to do so, my files show that I have lost more by it than by all the others put together. No matter how just a claim may be, no matter how conclusive the proofs, I have to resort to expensive litigation to enforce it and it is almost impossible to get back the papers. They are either mislaid, pigeon-holed or "in the hands of our connections." Time and time again I have been compelled to appeal to the Inter State Commerce Commission for relief. Ever since the system passed under the control of Ryan and his gang, it has been going from bad to worse. While I am in sympathy with the growing sentiment against trust and combinations, it will be a day of rejoicing, especially for those who are dependent upon it for transportation, when the rotten concern is absorbed by other and stronger lines and placed under more efficient management. XXX

WRIGHT'S ASSAILANT ARRESTED.

Chauncey Mitchell and Lewis McQuillen in Jail for Shooting.

Sheriff S. P. Cowan, Deputy Sheriff A. L. Kelly, Constable John Davis and Justice George Harriss motored down to Myrtle Grove yesterday afternoon and brought back Chauncey Mitchell and Lewis McQuillen, colored, for the shooting of Oscar Wright at a festival at Myrtle Grove Sound Friday night. Mitchell is charged with the actual shooting and McQuillen is held as an accessory. The officers also brought along William Highsmith, alias "Shorty" who stands charged with interfering with the officers by trying to put them on the wrong track to get the other two negroes. He was held in the sum of $200. Saturday Mitchell and McQuillen will be given a preliminary hearing. Wright was shot in the lung, but is doing very well.

HUSBAND NAILED RUBBER ON GATES

Wife so Weak and Nervous Could Not Stand Least Noise — How Cured.

Munford, Ala.—"I was so weak and nervous while passing through the Change of Life that I could hardly live. My husband had to nail rubber on all the gates for I could not stand it to have a gate slam.

"I also had backache and a fullness in my stomach. I noticed that Lydia E. Pinkham's Vegetable Compound was advertised for such cases and I sent and got a bottle. It did me so much good that I kept on taking it and found it to be all you claim. I recommend your Compound to all women afflicted as I was."—Mrs. F. P. MULLENDORE, Munford, Alabama.

An Honest Dependable Medicine

is Lydia E. Pinkham's Vegetable Compound. A Root and Herb medicine originated nearly forty years ago by Lydia E. Pinkham of Lynn, Mass., for controlling female ills.

Its wonderful success in this line has made it the safest and most dependable medicine of the age for women and no woman suffering from female ills does herself justice who does not give it a trial.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

THE FLESH MAKER

Thin Men and Scrawny Women Can Gain a Pound of Good, Solid Flesh Daily.

Money Back in Any Case Where Samose Fails to Increase Your Weight.

WEIGH YOURSELF BEFORE USING

Weigh yourself before commencing to use Samose, the great flesh-forming food. The wonderful sale on this preparation since first introduced in Wilmington and the remarkable results following its use have made J. Hicks Bunting Drug Co., such enthusiastic believers in the great value of Samose that they give their personal guarantee to refund the money if Samose will not make thin people fat and restore strength and health to those who use it.

This is a strong guarantee, but they have seen so many of their customers who a few weeks ago looked like walking skeletons become plump and well solely through the use of Samose, that they feel they cannot say too much to induce people to try it.

This marvelous flesh-forming food is assimilated as soon as it is taken into the stomach, makes good rich blood, tones up the weakened system, helps to assimilate the food and makes the user plump, well and rosy.

HOW TO GAIN HEALTHY FLESH

J. Hicks Bunting Drug Co., Advise Thin Folks to Use Samose

While thinness may not be a disease, yet it is in reality a condition that needs attention. Under the nourishing power of Samose healthy natural flesh will soon be attained.

This remarkable flesh-forming food strengthens the system generally and builds up the fleshy tissues so that good, natural plumpness results.

An ounce of flesh is better than a pound of theory. J. Hicks Bunting Drug Co., believe that the best possible demonstration of the flesh-forming powers of Samose is to have it tried by their customers and to induce them to use it, they offer to pay for the Samose in case it does not give satisfaction. No stronger proof than this can be given of their faith in it. (They have seen hundreds who were weak, thin and scrawny, become plump, robust and strong, solely through the use of Samose. Ten days' treatment, 50 cents.

THIN FOLKS MADE FAT

Good healthy flesh can only be gained by the use of the proper food, together with natural action of the organs and assimilation. Nine people out of ten, in order to weigh as much as they ought and be perfectly healthy should use Samose, the great flesh-forming food and health restorer. Weigh yourself before commencing to use these little tablets and see how your weight increases from week to week. Large box for 50 cents.

Samose does not contain a particle of starch or pepsin nor is it any nauseating preparation such as is usually recommended to make people fat, and which does not build up good, healthy tissues. Samose has valuable flesh-forming properties, tones up and strengthens the whole system, helps the food that is eaten to be assimilated in a natural manner and absolutely restores health to all the organs.

If you are not perfectly satisfied with the results from Samose, J. Hicks Bunting Drug Co., will refund your money without any quibbling.

Truckers and Farmers

Spring Schedule of Cars

Having finished with the Spring schedule for cars, the Tidewater Power Company will this week make announcement of same. More cars will be operated during the forenoon and from 1 to 6:40 o'clock P. M., cars will leave for Wrightsville Beach every half hour. The public will await with interest the announcement of the full schedule.

GOLD DUST

makes soft water available everywhere

Every woman knows the luxury of having soft water at her command, especially for washing clothes, but Nature has denied this luxury to many, especially to those living in cities or in "hard water" countries.

However, every woman can have soft water in her home with little trouble and less expense. The sprinkling of **Gold Dust** washing powder in the water from your taps or well will make it as soft as the rain water that falls from the clouds.

Gold Dust takes out the mineral substances that make the water **hard and brings out the greatest cleansing value.**

You can buy a large package of Gold Dust for 5 cents.

MR. G. H. HAAR WITHDRAWS

Sells His Interest in Department Store to Mr. Geo. O. Gaylord—Details of Transaction Are About Completed

While no official announcement of it has been made as yet, it was learned yesterday that Mr. G. Henry Haar has sold his interest in the Gaylord-Platt-Haar department store on North Front street to Mr. Geo. O. Gaylord, and that he will withdraw from the firm as soon as the details of the transaction can be completed, which will be in the course of the next few days.

It has been rumored for some days that there would be a change in the firm soon, and that Mr. Haar would probably withdraw. For the past few days the rumor has been generally discussed on the streets and when the formal announcement is made it will be no surprise to many who have heard the matter discussed as a rumor.

Mr. Haar declined to make any statement in regard to the matter yesterday when seen by a Star representative and the other members of the firm did not care to discuss the change for publication. However, it was learned that the matter has been decided upon and that most of the details incident to the transfer of Mr. Haar's stock, good will, etc., to Mr. Gaylord have already been arranged. The final settlement may be made today, and the name of the firm will then be changed.

The firm of Gaylord-Platt-Haar has been in existence since the first of the year, when the department stores of Mr. Geo. O. Gaylord and Platt & Haar were combined under that title. So far as is known Mr. R. C. Platt, the other member of the company, will continue in business with Mr. Gaylord.

THE RECORDER'S COURT.

Unusually Light Docket for a Monday's Session Without Features.

Unlucky folks on whom trouble fastens a grip Saturday nights and Sunday were scarce in yesterday's Recorder's court, the docket being unusually light for a Monday's session and without any special features. The only case that took on any interest at all was one against a negro man named Willie Gilmore, alias Goodman, who was charged with assaulting Mary Lou Epps, who averred that he knocked her down twice because she resented being "messed with" by another woman. He swore he was trying to keep peace between the two, and merely shoved the women apart. She said he called her black, and black she is, and that she replied that he was "black his self", and black he is. It was a clear case of the pot and the kettle. The Recorder ordered a fine of $25 and the costs against Goodman, and then Mary Lou was assessed $5 and costs for using strong language on the streets.

L. B. Todd was fined $5 and costs for assault and J. F. Carter, a white youth picked up for vagrancy, plead guilty and promised to get out of town instanter if allowed to go. Solicitor Peschau agreed and the court approved, capias to issue this morning if he is found in the city. John Eady, charged with embezzlement of $5 belonging to Mrs. Rothschild, will be tried this morning.

There were several who sustained injuries in a fall from the water wagon and their bills ran from plain costs to $5 and costs.

LAW AGAINST PASSING CARS.

Ordinance in New Book of General Laws Covers Case Discussed.

Seeing several items in The Star in regard to the danger of automobiles passing stationary street cars, Solicitor George L. Peschau yesterday showed a Star man a new ordinance in the volume of city laws of general character which has just been issued from The Star job department, which deals with the subject mentioned: It is in effect now and reads as follows:

"No vehicle shall pass to the right of any street railway car going on the same direction as the vehicle when such car has stopped for the purpose of allowing persons to enter into or alight from said car, but shall either come to a halt at least three feet from the rear of said car or pass said car to the left. Nothing herein shall be construed to permit so passing such car where same will impede or obstruct traffic then on such street or endanger passage thereon."—Sec. 581 (20).

I. O. O. F. ANNIVERSARY TONIGHT

Local Odd Fellows Will Celebrate the 94th Anniversary

This evening in the lodge rooms, Odd Fellows building, the local Odd Fellows will hold exercises in celebration of this the 94th year of their splendid fraternal organization. The four lodges in the city, together with the allied order, the Daughters of Rebekah, will participate. The address of the occasion will be delivered by the Rev. Alex. D. McClure, D. D., pastor of St. Andrew's Presbyterian church, and those who will be privileged to attend are looking forward to this feature of the evening with pleasant anticipations, for Dr. McClure's addresses on fraternal subjects are both entertaining and helpful, and he is in great demand for such events as this. All over the country the hundreds of thousands of Odd Fellows are celebrating the anniversary.

Auto Skids Into Surry

Sunday afternoon at Seventh and Market streets the automobile of Mr. Herbert McClammy collided with the surry of Mr. Louis Freimuth, and Mr. Freimuth was painfully though not seriously injured as a result. Mr. McClammy, who was driving the machine, in which there were several ladies, was going west on the north side of Market street, when Mr. Freimuth came into Market from Seventh, and as soon as the well known attorney saw the vehicle, he threw on his emergency brakes and tried to avoid a collision, but the machine was going at too great a rate to be stopped in so short a distance, and skidded into the vehicle. Mr. Freimuth was thrown out, and the wheels of the surry passed over him, breaking no bones but bruising his side, so that he was feeling pretty sore yesterday. His wife, her mother and Mrs. Smith, who was with them, were not injured. The surry lost a wheel, and the auto a lamp. Mr. Freimuth does not blame the attorney for the accident, which he thinks was very probably an unavoidable incident.

For Weakness and Loss of Appetite

The Old Standard general strengthening tonic, GROVE'S TASTELESS chill TONIC, drives out Malaria and builds up the system. A true tonic and sure Appetizer. For adults and children. 50c.

MADE SPLENDID SHOWING

W. L. I. Boys Back From Rifle Contest at Goldsboro Last Week—Thirteen Companies Were Represented in Touranment

The 10 members of the rifle team of the Wilmington Light Infantry returned to the city Saturday night after attending the shoot held at Goldsboro Thursday, Friday and Saturday of last week. The boys report a delightful time, and they made a very creditable showing in the contest.

Thirteen companies were represented in the tournament, 12 from the Second North Carolina Regiment and the lads from this city. First Lieutenant P. L. Cantwell, of the W. L. I., won a place in the marksmen class, and only missed the sharpshooter's class by 5 points.

The scores made by the W. L. I. boys at the different ranges were as follows:

300-yard Range, slow fire—Cantwell, 42; Watters, 30; Lewis, 15; Monroe, 25; King, 34; Williams, 21; Fillyaw, 21; Morse, 12; Rhodes, 12; Grant, W. F., 21. Total, 241.

500-yard Range—Cantwell, 38; Watters, 26; Lewis, 24; Monroe, 24; King, 24; Williams, 15; Fillyaw, 30; Morse, 16; Rhodes, 17; Grant, 21. Total, 235.

600-yard Range—Cantwell, 41; Watters, 39; Lewis, 27; Monroe, 27; King, 11; Williams, 35; Fillyaw, 16; Morse, 38; Rhodes, 26; Grant, 21. Total, 261.

200-yard Rapid Fire, loading gun and firing ten shots in 1 1-2 minutes—Cantwell 30; Watters, 45; Lewis, 30; Monroe, 35; King, 38; Williams, 36; Fillyaw, 44; Morse, 24; Rhodes, 28; Grant, 26. Total, 346.

300-yard Rapid Fire—Cantwell, 34; Watters, 22; Lewis, 24; Monroe, 20; King, 57; Williams, 19; Fillyaw, 33; Morse, 10; Rhodes, 27; Grant, 38. Total, 264.

Grand Total—Cantwell, 185; Watters, 162; Lewis, 120; Monroe, 111; King, 144; Williams, 126; Fillyaw, 144; Morse, 100; Rhodes, 110; Grant, 145. Total, 1,347.

The team of the Lumber Bridge Company again carried off the honors. Ex-Sheriff Hall, of the team, got seven successive bulls' eyes at a range of 600 yards, and before he finished his ten shots, he got another. The other men on the team came across with their usual score.

HER DEATH SUDDEN.

Mrs. Kizzie Taylor Answers the Summons—Funeral.

Mrs. Kizzie Taylor, widow of the late Mr. J. J. Taylor, and one of Wilmington's oldest residents, died suddenly on Sunday evening at the home of her niece, Mrs. B. McD. Russell, on North Seventh street, aged 77 years. Mrs. Taylor had been in poor health for some time, but her death came unexpectedly and as quite a shock to family and friends. During the morning Mrs. Taylor was up and about as usual and spent some time in the front yard, later retiring to her room. A short while thereafter Mrs. Russell heard a noise in her aunt's room and thinking this unusual, went into the room and was shocked to find the aged woman dead. Death was sudden and was evidently as the result of an attack of the heart. A physician was hastily summoned, but it was stated that nothing could have been done for her in the extremity, death having ensued instantly.

Mrs. Taylor has no other immediate relatives other than Mr. and Mrs. Russell, who have the sympathy of many friends in their sorrow. She was a woman of deep Christian character and had for a long time been a member of the First Presbyterian church. The funeral was conducted from the residence at 11 o'clock yesterday morning by Rev. J. M. Wells, D. D., pastor of the First church, assisted by Rev. A. J. Howell, who has recently returned from his theological studies in Richmond, Va. The interment was in Bellevue cemetery, the pall-bearers being Messrs. Geo. W. Huggins, W. C. Smith, John T. French and Benjamin Bell.

Mr. and Mrs. Russell desire to thank most heartily all who were so kind to them in the hour of their distress, assuring each and everyone that their kindness is thoroughly appreciated.

NO U. S. COURT THIS SPRING

All Cases Continued Until the Fall Term in September

According to an order received from Judge Henry G. Connor by Mr. S. P. Collier, Clerk of the Federal Court here, there will be no Spring term of the court, all cases, civil and criminal, being continued until the Fall term which will be in September. Judge Connor at the time the Spring court was to have been held, May 13th, will be in Richmond to attend the Circuit Court of Appeals, hence the continuance of the cases on the docket. Clerk Collier yesterday notified the jurors that they need not appear. Court will be formally opened, and if any jurors, witnesses or parties to cases are present, they will be dismissed until September, and adjournment taken.

Knights of Pythias Figures.

A recently issued bulletin from the insurance department of the Knights of Pythias states that the total membership of the department is 70,635, carrying $99,282,006 insurance. The assets of the department, including the legal reserve, are $5,165,303. There has been returned to members in waived payments, reducing the cost of insurance, the sum of $925,223. The total death claims paid amount to $35,052,793. During 1912 the legal reserve was increased $758,436, and death claims paid amounting to $1,596,634. Announcement is made that policy holders who took out insurance during or prior to 1912, if 12 consecutive monthly payments have been paid, will have one monthly payment waived during 1913, which means that the annual dividend on the policy will be 8 1-3 per cent.

Remove Frying Pan Light

Shipping circles in Wilmington were much concerned yesterday over a report that petitions were being circulated in the marine district in New York for a removal of the Frying Pan shoals lightship from the knuckle of the shoals to a point further out, without regard to its position with reference to the Cape Fear bar. A similar effort was made some time ago, but shipping interests here were fortunate in circumventing the effort. It is believed that similar successful opposition to the movement will be made at this time.

B. G. Empie, Esq., Trustee.

At a meeting of the creditors of Mr. J. Ed Taylor, held yesterday in the office of Geo. H. Howell, Esq., referee in bankruptcy, Brooke G. Empie, Esq., was named trustee. The meeting was adjourned until May the 12th, when further hearing will be held.

MR. W. C. DENNY CASHIER

Important Changes in Official Staff of Southern National Bank—Mr. Simpson to Engage in Banking in Western Carolina

Announcement was made at the Southern National Bank on yesterday of important changes in the official and clerical organization which will be effective May 1st.

At the last regular meeting of the directors held on the 22nd inst., Mr. J. W. Simpson, who has efficiently served the bank as cashier for the past three years, tendered his resignation effective May 1st, stating that he had received a desirable proposition to engage in business in the western section of the State, and that in view of the fact that his health has not been good during the past year, he had decided to make the change.

After many expressions of regret upon the part of his associate officers and the board, coupled with assurances of confidence, esteem and appreciation of his services, his resignation was duly accepted.

Following the custom of the bank to advance its men in line for promotion, Mr. W. C. Denny, assistant cashier, was made cashier, while Mr. R. L. Henley, who has served as receiving teller for several years, succeds to Mr. Denny's office as assistant cashier, and Mr. J. M. Myrick, formerly paying teller, was advanced to the position of receiving teller.

Mr. W. C. Curtis, formerly auditor of the bank, will hereafter fill the important office of note teller and will have care of the notes and collaterals of the institution.

Other minor changes will be made in adjustment of the other departments, and it is understood that when the Atlantic Trust and Banking Company occupies its handsome new home on corner of Market and Front streets, there will be an advantageous re-arrangement of the banking room, the Southern National to occupy the entire space at present held by the two banks.

Wilmington people, together with his associates in the Southern will part with Mr. Simpson with genuine regret. Courteous, accurate and diligent in his work, he has made friends by the score here, who will wish him great success in his new field, the particulars of which will be announced as soon as a few details are concluded.

Mr. Denny, the new cashier, is thoroughly trained for his new position, having served in all departments of the bank during the past five years, and he is universally popular with its customers.

Mr. Henley came to the Southern two years ago from the National State and City Bank, of Richmond, Va., where he was head of the mailing and collection department, and Mr. Myrick was for several years teller in the Greensboro Loan and Trust Company. Mr. Curtis has also been with the bank for several years, coming from the Broadway Trust Company, New York city, where he held an important position in the loan department.

FOR PHYTHIAN RELIEF

Interesting Communication from Phythian G. K. R. S.

Capt. Thos. D. Meares, Supreme Master of Exchequer, Knights of Pythias, has received from Grand Keeper of Records and Seal William Beatty, of Toledo, Ohio, a letter in which he asks that a further contribution of $50 for the flood sufferers be acknowledged from Cyprus Lodge, of McGill, Nevada. Concluding his letter, Mr. Beatty says: "I do not know how we are going to take care of even a portion of the loss that has fallen upon our brethren. There are fully 3,000 members involved. This morning I received a statement from Tiffin, showing that 40 or 50 members there had suffered loss of more than $58,000. This one town alone would need three times more of money than has come to this office. This being so in Tiffin, what will it be in magnitude when our relief committees report on Dayton, Columbus, Hamilton, Zanesville, the larger places, to say nothing of the 30 or 40 more little towns that suffered proportionately large. My hope is there will be a general response to Brother Carling's appeal."

DEEDS FILED FOR RECORD

Bill of Sale for Southern Shorthand and Business University

Following are the deeds filed for record yesterday:

Southeastern Realty Co., to Pembroke Jones, for $1,000 and other considerations, lot on northeastern corner of Princess and 15th streets, 55 by 122 feet in size.

W. L. Parsley and wife to Board of Education of New Hanover county, for $1 and other considerations, tract of two and one-third acres on west side of Masonboro road, beginning at a point near the private road of Mr. Parsley.

A bill of sale was recorded from J. M. Ressler to E. C. Bowersock, for the Southern Shorthand and Business University, Odd Fellows building, for $250 and other considerations, including the assumption of all obligations of the old management.

A lease was filed for record from Samuel Behrends to J. M. Solky, for the store at No. 9 North Front street, lease to cover the period from October 1st, 1914, to September 30th, 1919.

BELLEVUE COMPANY MEETS

Directors and Officers of Cemetery Elected Last Night

At 8 o'clock last night a meeting of the stockholders in the Bellevue Cemetery Company was held in the undertaking establishment of Mr. W. E. Yopp, No. 211 Princess street, and directors were named, who immediately afterwards elected the officers.

The affairs of the company were found to be in good shape and there was satisfaction with the conduct of the company.

The directors named are Messrs. H. A. Decover, G. W. Bornemann, G. W. Linder, J. Carmer Davis, S. F. Yopp, Jno. A. Everett, William Simpson and J. O. Brown. These elected Mr. H. A. Decover president; "Judge" G. W. Bornemann, vice president; Mr. W. E. Yopp, secretary and treasurer, and Mr. J. H. King, superintendent.

Dr. Harriss to Leave Hospital.

Dr. Andrew H. Harriss, who was operated upon for appendicitis some time since, in the James Walker Memorial Hospital, will leave that institution in the morning, and for a week or two will be at his Summer residence on Wrightsville Sound, completing his period of convalescence. His friends will be glad to learn that he has progressed so rapidly as to be able to leave the hospital and they will welcome him back to his office when he returns from the Sound.

WILMINGTON AT CONFERENCE

Paper by Dr. Charles T. Nesbitt Read Before Southern Sociological Congress in Atlanta—Problems of City Health.

Unable to attend the Southern Sociological Congress which met in Atlanta last week, Dr. Chas. T. Nesbitt, city superintendent of health, submitted the paper that he would have delivered in person could he have attended the gathering, and it was read Saturday in the First Baptist church, Atlanta. Reporting it the Constitution has the following:

"The ignorant and unreasonable class, combined with the more or less influential class, whose holdings in tenement property must be improved under sanitary regulations, create the most serious obstructions to making a city healthy, according to Dr. Charles T. Nesbitt, of Wilmington, N. C.

"Speaking further on this subject, he said: 'To these might be added the conservative class who criticise the detail and value of methods proposed and employed by the health authorities. Thus through a combination of social, political and commercial interests the opposition to public health work is created and maintained wherever such opposition exists.

"'A patient, persistent use of educational publicity is the only way to combat such opposition. The basis of such publicity must be vital statistics of the town or region in which the work is to be carried forward. Find the death rates from preventable disease and co-relate them with local insanitary conditions and give the facts publicity and the public will be aroused. A continuous insistence on the importance and economic value of public health work, and the frank statement of local conditions, in the local newspapers, cannot fail to make an impression, and if continued will certainly win approval and support of all intelligent citizens, and will destroy the influence of even the most persistent opposition.

"'The success in Wilmington is attributed for the greater part to a policy of frank publicity through co-operation of the press.

"'Comparison of Wilmington with three large cities of the North, and three large cities of the South, and two cities of the size of Wilmington in the South was made and published, and put Wilmington in such a disadvantageous position that the people were aroused.

"'Then publicity was given to certain insanitary conditions, and to the prevention of diseases. Some fear that the city was badly advertised, but they were true facts. The city authorities began to clean up. Public interest was aroused along health lines, so that when a new commission form of government was installed, there was a sufficiently powerful demand for efficient public health work to fix it definitely as one of the policies of the new government.

"'Absolute frankness has continued, and the interest in public health work was sustained until the results became apparent, and its activities were justified. Today there is no community in the South so widely informed in the detail of sanitation as Wilmington, N. C.'"

BAD WEATHER FOR TRUCK

Cold Rain and Hail Yesterday Interfered With Berry Picking—All Truck Unfavorably Affected. 77 Cars Yesterday.

Strawberry "big week" opened up yesterday in a way that promised to still further reduce the already comparatively small movement forecasted by conditions. Hail was reported in the Chadbourn section and people from that territory here yesterday said that it was useless to attempt an estimate of the damage sustained in the berry fields, as there was simply no way to tell to what extent the growers had suffered.

It might be much and might be little. It was plain, however, that the hail and the cold rains of the day operated against the pickers for the day, and hence the movement yesterday was undoubtedly curtailed. Thirty-six cars moved out of the Weldon road country and about 41 cars were loaded in all the remainder of the Carolina territory, a total of 77 cars for the day in the entire belt. Two cars of lettuce were loaded here yesterday.

The unprecedented weather of the Spring has been very unfavorable to all trucking operations and it is said that the various crops are not looking as well as a rule, as the truckers would like to see them. Good prices, however, have obtained where quality appeared. Saturday strawberry prices looked up some. Lettuce has brought good prices, as have peas.

The Fruitman's Guide, of New York, under date of the 25th, reviews the strawberry market to the effect that there was a marked increase in shipments last week and an improvement in the demand for stock of good quality. Norfolk berries sold at from 14 to 18 cents a quart, but had to be fine to bring the outside figure. Carolina Klondykes sold up to 25 cents, ranging as low as 12. Lady Thompsons sold at 10 to 15 cents. Florida stock ruled from 5 to 20 cents. There was general complaint because of poor quality of much of the stock. Larger shipments were expected during the present week.

SEIZE WHISKEY IN TRANSIT

Officers Have the Right to Take It from the Express Office

Rev. R. L. Davis, superintendent of the Anti-saloon League, calls attention of the public to the fact that under the Webb law and the State search and seizure law, officers may seize whiskey in transit, before it is delivered to the consignee. In other words, if an officer suspects that a shipment of whiskey is intended to be used in violation of the law, he can go to the express or freight office and seize it before it is delivered to the consignee. Numerous seizures have been made throughout the State under the new law, but in every instance it was done after the whiskey had been delivered. Whiskey intended to be used in violation of the law, becomes contrabrand immediately after it crosses the North Carolina line, and as such is subject to seizure.

Funeral of Mrs. Wines.

The funeral of Mrs. Kate C. Wines, widow of William Brewster Wines, was held Sunday morning at 10 o'clock in Oakdale cemetery. Mrs. Wines died in Raleigh. She was in her 83rd year. The funeral was conducted by Rev. M. O. Alexander, assistant pastor of the First Baptist church.

All over the World

Our Travelers' Checks can be cashed without identification.

If you are going on a trip in this or any other country, you should carry these checks.

We supply them in denominations of $10, $20, $50 and $100, and bound in leather cover.

RATS AND BUBONIC PLAGUE

Increase in Rat Infection Corresponds to Increase in Cases

A Washington dispatch states that the bubonic plague has re-appeared in Manila, Philippine Islands, five victims having died in that city. Alarmed by the situation, the city authorities have employed 50 additional rat catchers to rid the city of the disease-spreading rodents. The public health service report on the subject observes that the increase in rat infection corresponds to the increase in the number of plague cases in such typical plague centers as Hong Kong and other cities. Several plague-infected rats were found in Manila, most of them in store houses containing wines packed in straw imported from Japan, mostly from Osaka, where the plague is more or less constantly present. It will be recalled that San Francisco was the scene some time ago of great activity on the part of the United States health service, in a campaign of extermination against the rats. The city was practically freed of the pests, and along the water front wooden pavements, wharves, floors, etc., where rats found refuge, were torn away and concrete laid. It is no longer a matter of doubt that rats spread the bubonic plague.

In this city last Summer rats were examined but in no instance was an infected one found.

To the Public

I conceive the issues in the present campaign to be two only, and that the situation calls upon me as a candidate for Mayor to state my position on these in the frankest way possible.

The first consideration of good government is law enforcement, and I recognize that no citizen or class of citizens has a right to claim exemption from any one law any more than all citizens have the right to claim exemption from all laws, and my position is law enforcement without favors and without discrimination. The laws must be respected.

The second consideration, hardly inferior to the first, is capable administration. Every thoughtful and informed man in the community knows that our city government is now a much larger business proposition than ever before, and that large financial operations must be provided for by the incoming administration. My experience in city affairs gives me an inward knowledge of public conditions, and I unhesitatingly say that I believe I can save the taxpayers $50,000.00 a year in operating expenses without lowering in any degree or particular the efficiency of the public service, and at the same time maintain at the highest level the public credit.

I have no interest to serve except the public good and no pledges to redeem to persons seeking office or favors.

Upon this statement I appeal to the intelligent judgment of the public.

WM. E. SPRINGER.

EASY TO BUY; EASY TO PAY

It means Economy

—Pay for your clothing while you are wearing it—not before you get it.

—Our way means economy and satisfaction. We trust you, but we don't ask you to pay a single penny extra for credit.

—Come in and see the new assortments of men's and women's summer clothing. You can find just what you want, and we'll make the paying part easy and convenient for you.

Complete Summer Clothing Outfits for Men and Women $12 to $30

FARLEY & CO.

116 Market Street

SOCIAL & PERSONAL

Mrs. James A. Smith returned Saturday evening from Newton where she had been with relatives for several days.

* * *

The Red Cross Society will hold a meeting this morning at 11 o'clock in the Colonial Inn parlors, and all members are expected to be present.

* * *

Miss Mary Evans, of Charlotte, who has been visiting her sister, Mrs. R. M. Denny, in Greensboro, is the guest of her brother, Mr. C. N. Evans.

* * *

There will be an entertainment at Cedar Grove school house, East Wilmington, tonight at 7:45 o'clock and the public is cordially invited to attend.

* * *

Numbers of people yesterday attended the art exhibit of Miss Belle Heyer, at the bookstore of C. W. Yates & Co., and enjoyed the privilege of seeing such a remarkable and interesting display. The exhibit will be open again today and the public is invited to visit the bookstore and see it.

* * *

Mrs. George F. Cochran, of Newton, N. C., arrived Sunday morning to join her husband, Mr. George F. Cochran, of the staff of the Morning Star. Both have received a very cordial welcome as permanent residents of Wilmington by many friends of Mr. Cochran, who has been in the city for some weeks.

* * *

Mr. Leon L. Mott, editor of the Pender Chronicle, of Burgaw, and Miss Lucy May Pierce were wedded yesterday morning at Burgaw by Rev. L. Cox, and left for Northern cities on their honeymoon. Upon their return they will be at home at Burgaw. Acquaintances in Wilmington will be interested in the announcement of their marriage.

* * *

The 11th district of the North Carolina Division, U. D. C., will meet with the Cape Fear Chapter tomorrow afternoon at 4 o'clock in the W. L. I. armory. Delegates will be present from all the chapters in the district. Every member of Cape Fear Chapter is urged to be present and to help make the occasion as interesting and successful as possible.

* * *

The Boys' Athletic Association of Immanuel Presbyterian church Sunday School, to raise funds for the purchase of uniforms for the baseball team, will give an entertainment Thursday evening in Immanuel Building, Front and Queen streets, and besides the programme to be rendered, refreshments will be served. The admission is only ten cents and the public is invited to attend.

* * *

Every woman interested in the vital questions that affect the home is invited to meet with the Civic Department of Sorosis tomorrow afternoon at 4 o'clock in the reading room at the Masonic Temple. At this time Dr. E. J. Wood will speak upon a subject heretofore untouched upon. Mr. J. P. Herring, who is interested in forming a girl's tomato club, will also be present and will outline a plan for carrying out this work.

* * *

Friends of Mr. John L. Williams, cashier of the Wilmington Savings & Trust Co., will regret to know that it became necessary for him to undergo an operation for appendicitis at the James Walker Memorial Hospital yesterday morning, but will be glad to know that the operation gives every indication of having been highly successful and that Mr. Williams hopes to be about his accustomed duties again within a short time.

* * *

A wedding of much interest to society in this city and elsewhere will take place this afternoon at 5:30 o'clock at St. James' Episcopal church, when Mr. William Murdock Peck and Miss Alice Davis, daughter of Mr. and Mrs. Junius Davis, will be united in marriage. Both bride and groom being well known and of prominent families, the event will attract attention in quite a number of the cities of the State.

* * *

Of interest to many friends in the city is the following announcement received yesterday:

Mrs. Thos. B. Peirce
announces the engagement of her
daughter
Sallie Faison
to
Ensign Edward Banks Gibson
United States Navy
Marriage to take place at
Warsaw, N. C.
Six O'clock
May 14th, 1913.

PERSONAL PARAGRAPHS.

—Mr. C. R. Jordan, of Currie, was a visitor in the city yesterday.

—Herbert McClammy, Esq., is spending a day or two in Baltimore on business.

—Col. Walker Taylor has returned from Chicago where he attended the National convention of local fire insurance agents.

ATTENDED RATE HEARING

Mambers of Traffic Committee Leave for Raleigh This Morning

Messrs. J. Allan Taylor and J. Gilchrist McCormick, members of the traffic committee of the Chamber of Commerce, left yesterday evening for Raleigh to attend the rate conference between the representatives of the State and the several railroads. Mr. Taylor is chairman of the traffic committee and is recognized as an authority on freight rates. Mr. McCormick also is conversant with the subject and the presence of the two gentlemen will insure a representation for Wilmington shippers that is the equal of that of any business community in the State. They carried with them the statement prepared by the Southport Chamber of Commerce, setting forth the reasons why Southport should be made a coaling station. This will be presented to the Clinchfield & Ohio Railroad officials.

Warters-Ganey Marriage

Sunday afternoon at 4 o'clock in his office, Judge Bornemann officiated at the marriage of Mr. Owen William Warters and Miss Mary Ethel Ganey, two young people of the city. Mr. Warters is in charge of the stage crew at the Academy of Music, a position he has held for several years. A few friends were present at the ceremony.

Spanish Steamer Arrives

The Spanish steamer Adolfo, 2,192 tons, Capt. Coll, arrived in port yesterday from Huelva, Spain, consigned to Mr. Henry Whyte, agent of the Seaboard Air Line for the terminals of which road and for the Swift Fertilizer Works, she has cargo of 4,000 tons of pyrites. She expects to begin discharging today.

C. H. Fore & Co., are sole agents for Warner's, Thomson's and Redfern Corsets. (Advertisement.)

LOCAL DOTS.

—Alexander Evans was arrested yesterday for firing a pistol within the city limits. He will be tried this morning.

—The Board of Health did not hold a meeting yesterday, but will meet tomorrow afternoon at 4 o'clock in the Mayor's office. There is no special business to come before the board.

—Melvin Horne, who threatened to cut his throat with a knife he had slipped into his cell in the jail, unless he were given morphine, has been quiet since the incident and has given no trouble.

—Capt. H. H. Hall suffered the loss of a gold case Elgin watch by theft Saturday, according to a report made to police headquarters Sunday. Somebody lifted it from his pocket, and there is no clue to the thief.

—Starkey Bros. have received most of their equipment for their new cool drink, cigar and pool business, 119 Princess street. An elegant soda fountain has arrived and will be set up at once. The place will be open about June 1st.

—Martha Thomas, colored, was taken in custody yesterday by Officer T. M. Hall and placed in a cell at headquarters until a hearing can be held today at noon before the Clerk of Superior Court for the purpose of examing into her sanity.

—The stockholders and directors of the Citizens' Co-operative Market will meet this evening in the market, No. 119 South Front street, to consider a number of important business matters. The meeting has been called by Mr. W. R. Appleberry, president.

—Mr. A. W. Pate has been suffering from an attack of appendicitis at his home in Seagate, but it is hoped that he will recover without an operation. Mr. Pate is a well known real estate man, and his friends will be glad to know that his condition is favorable.

—Mrs. Parham, No. 412 Fourth street, has reported to police headquarters that Saturday afternoon a negro boy left a suit case of clothing at her residence, saying it had been sent by a washerwoman at 12th and Ann streets, and the same does not belong to her.

—Overcoats, rain coats and other kinds of coats of weight sufficient to keep out cold were in evidence yesterday and fires were started up again. The weather was disagreeably cool and without precedent, say old inhabitants. Rain fell during part of the day and sleet and hail were reported from some sections.

—The hearing on the application of the Atlantic Coast Line for an injunction restraining C. D. Weeks, Esq., from removing a line of pipe on property owned by him near Ivanhoe, and draining a pond there which is used by the company to supply water for its engines, which was set for today at Clinton, has been continued. It will probably be held one day the latter part of the week.

—Mr. W. B. Savage, who has officiated as junction superintendent for the Tidewater Power Company since last October, without missing a day from the job, did his last work in that line Sunday and until Thursday is taking holiday, after which he will take up the work of special officer at Wrightsville Beach, where he will be during the coming season, having charge, also, of the life saving crew.

—Sunday afternoon the painters, paper hangers and decorators of the city, who recently formed a union and became a new member of the Trades Council, met and ten new members were taken in. It was decided that beginning next Monday evening, the union will meet every Monday evening in the market house hall at Fifth and Castle streets. The electricians have fixed their meeting date as each second and fourth Tuesday nights in the union hall on Princess street.

—Coon Davis, a gentleman of color who helped himself to The Star's handcart several weeks ago, to haul away a load of ill-gotten sugar, and who abandoned both cart and sugar when Plainclothesman Leon George got after him on Nixon street, was captured last night about 10:30 by Officers Powell and Ed George, and will be in the Recorder's court this morning to explain his doings. He has been dodging about ever since the night of his sugar transaction.

Overland From Columbia.

Arriving in the city at 2:30 o'clock yesterday afternoon, overland in his touring car from Columbia, was Capt. D. T. Cronly, who will spend a few days in the city with relatives and numerous friends. Capt. Cronly left Columbia at 8 o'clock Sunday morning and came via Cheraw and Bennettsville, S. C., spending the night at Lumberton. The trip was made in good shape and Capt. Cronly made mental note of the condition of the crops throughout the territory. Many friends have been pleased to welcome him to Wilmington.

Enforce Corrupt Practices Act

Councilman B. C. Moore, in charge of the Department of Public Safety, offers a reward of $100 for evidence leading to the conviction of any person giving or receiving money or anything of value, in violation of the laws governing elections in the city. A corrupt practices act passed by the last Legislature will be rigidly enforce. The registration of voters is put at about 4,000 for the election May 5th, or about 500 more than in the primary of the 22nd.

For Cruelty to Animals

John Whiteman, senior, a colored drayman who operates several drays, was arrested yesterday by Officer J. R. Minshew for cruelty to animals and he was released under $50 bond for his appearance this morning. He was working a mule with big raw sore on its back, and when the outfit was taken in charge the mule was pulling a load of 262 bricks, approximately 1,000 pounds.

Warner's and Redfern rust proof Corsets are sold only by C. H. Fore & Co. (Advertisement.)

The Real Secret of Rejuvenating the Face

(From The Clubwoman.)

She holds the true secret of facial rejuvenation who has learned how to remove the dead skin particles as fast as they appear. It's a secret anyone may possess. The aged, faded or discolored surface skin may be gradually absorbed in an entirely safe and rational manner, by the nightly application of ordinary mercolized wax. Within a week or two the underlying skin, youthful and beautiful to behold, has taken the place of the discarded cuticle. So little of the old skin is absorbed each day there's no inconvenience at all, and no one suspects you are putting anything on your face. The mercolized wax, procurable at any drug store (an ounce is sufficient), is applied like cold cream. In the morning it is erased with soap and water. It's the best thing known for freckles, blackheads, pimples, moth patches, liver spots and fine surface wrinkles.

For the deeper wrinkles an excellent recipe is: Powdered saxolite, 1 oz., dissolved in ½ pt. witch hazel. Bathing the face in the solution produces quick and wonderful results.

The C. W. Polvogt Co.'s Clean Sweep Sale, May 1 to 10

Financial and Commercial

MONDAY IN COTTON MARKET

New Low Ground at Opening of the Week—Fell Below Eleven Cents for the First Time This Season.

New York, April 28.—Reports that May notices were being stopped in the local cotton market by foreign and local spot interests, caused only a moderate rally early today and prices later made new low ground for the movement under renewed general selling. The close was steady at an advance of 7 points on April, but generally 6 to 13 points under closing figures of last week.

The market opened steady at a decline of 6 points to an advance of 2 points, and during the early trading sold about 8 to 12 points net higher on old crop positions, and 4 or 5 points above Saturday's finals, on new crop months. May notices were estimated at about 80 bales and at the start May contracts sold about 20 points under July, but the difference almost immediately began to narrow and there was a good demand for May across the ring. This made it quite apparent that the May notices would be taken up and there was enough covering by old crop shorts to account for the early rally, but there was no aggressive buying and as soon as the scattering demand from shorts had been supplied the market showed renewed weakness.

Reports that indications pointed to increased acreage in Louisiana, Arkansas and Tennessee, probably added to the confidence of sellers, while favorable weather advices also created bearish new crop sentiment, and helped to drive new crop positions below the 11-cent level for the first time this season. Realizing by recent sellers checked the decline around 11.08 for October and caused slight rallies in the late trading. It was rumored that houses with Liverpool connections stopped notices amounting to 10,00 or 15,000 bales, but that the bulk of the notices issued went back into the hands of local spot interests.

New York, April 28.—Spot cotton, quiet. Middling uplands, 11.70; do. gulf, 11.95. Sales, 800 bales.

Futures closed steady.

NEW ORLEANS COTTON MARKET.

New Orleans, April 28.—Cotton broke to a new low level for the season today, after a period of steadiness and a slight advance around the opening. During the greater part of the session there was much selling for short account and support came almost wholly from shorts who were satisfied with their profits. The selling was based on encouraging crop accounts and the good weather map and forecast. Little attention was paid to the river situation.

On the opening the tone was steady and prices were 2 points off to 4 points up. At the highest the trading months were 7 to 9 points over Saturday's close. At noon prices were 2 to 5 points under Saturday's colse. At noon prices were 2 to 5 points under Saturday's close and the decline was widened to 10@15 points in the afternoon. The market closed steady, at practically the lowest of the day, a net loss of 12@12 points.

Spot, quiet, 1-16c lower. Middling, 12¼. Sales on the spot, 692 bales, to arrive, 1,156 bales.

LIVERPOOL COTTON MARKET.

Liverpool, April 28.—Spot in fair demadn, prices easier; middling fair, 7.22; good middling, 6.88; middling, 6.70; low middling, 6.54; good ordinary, 6.20; ordinary, 5.86.

Sales, 8,000, ncluding 500 for speculation and export, and included 7,700 American.

Receipts, 5,100, all American.

Futures opened steady and closed quiet. April, 6.47; April and May, 6.41; May and June, 6.41; June and July, 6.39; July and August, 6.36; August and September, 6.26½; September and October, 6.14; October and November, 6.07½; November and December, 6.04½; December and January, 6.03½; January and February, 6.02½; February and March, 6.03½; March and April, 6.04.

THE FINANCIAL MARKET.

New York, April 28.—Money on call, steady, at 2¾@3 per cent.; ruling rate, and closing bid, 2¾; offered at 3. Time loans, steady; sixty and ninety days, 4 per cent.; six months, 4¼. Prime mercantile paper, 5¼@5½ per cent. Sterling exchange, firm with actual business in bankers' bills at 4.8375 for sixty day bills, and at 4.8675 for demand. Commercial bills, 4.83¼. Bar silver, 57¼. Mexican dollars, 48. Government bonds, steady; railroad bonds, heavy.

DRY GOODS MARKET.

New York, April 28.—Cotton goods markets are quiet. Yarns are barely steady. Jobbers are doing a moderate trade, the principal activity being in hosiery and underwear, and wash fabrics.

C. H. Foré & Co., carry a full stock of Kayser's celebrated silk gloves. (Advertisement.)

GRAIN MARKET

European Disturbance Over Balkan Situation Causes Rise in Price of Wheat and Corn—Provisions Are Lower.

Chicago, April 28.—Export business and the disturbed European political situation today advanced wheat ½@⅝ to ¾c. Corn had a net upturn of ⅝ to ½; oats, a net rse of ⅛@¼, and provisions were 2½ to 17½c. net lower. Export sales of 25,000 bushels of hard winter wheat here and 50,000 bushels in the Southwest, brought about an upturn after the market had eased off on profit-taking. The reaction was aided by renewed fears because of the disturbed political situation in Europe and the Far East.

Close, cash grain:

Wheat—No. 2, red, 1.05@1.07¾; No. 2, hard, 93½@95; No. 1, Northern, 93½@94½; No. 2, 91½@93½; No. 1, Spring, 91@93.

Corn—No. 2, 57@57¼; No. 2, white, 58@58½; No. 2, yellow, 56@57½.

Oats—No. 2, white, 35½@36½; standard, 35½@36.

Wheat—May, 92⅜; July, 92¼; September, 92.

Corn—May, 55¼; July, 55¾; September, 56¾.

Oats—May, 34½@34⅝; July, 34⅜; September, 34¼.

ADVANCES WAR SCARE AFFECTS STOCKS

Outburst of Selling on New York Stock Exchange—Uneasiness in Europe Affected Market—Dumped Stocks.

New York, April 28.—An outburst of selling in the early trading once more depressed the stock market sharply. More than a score of new low records were established and the substantial advantage gained on the recent upward swing was lost, the level of prices falling under the low average reached the middle of March. After an hour of active trading, the market grew steadier and gradually improved. The amount of business fell off sharply on the rally, the second hour's total being less than one-third of that for the first. Trading during the remainder of the session was slow, with a gradual advance, which lifted the stocks above Saturday's close.

The marked weakness of the first hour, which depressed prices of many leading stocks 1 to 3 points, was significant not only on account of the broad character of the selling, but because it was the most prominent issues which were noticeably heavy, rather than the specialties which were so prominent recently. Considerable liquidation on orders from out-of-town was said to be in progress. The list also was influenced by the weakness of the foreign markets, which reflected uneasiness over the latest complications in the Balkan situation, and London sold stocks here at first. On the decline, however, arbitrage brokers appeared as heavy buyers, and London took some 10,000 shares on balance.

Short covering played an important part in the upturn. Bear traders moved cautiously after the first break in prices, and showed a disposition to buy back stocks at the lower level. The borrowing demand on the last two days of trading has been unusually heavy and some of the bears appeared to be apprehensive of an overcrowding of the short account.

Bonds were heavy, with a considerable fall in Interborough Metropolitan 4½s. Total sales, par value, $1,900,000. United States bonds were unchanged on call. Total stock sales, 385,700 shares.

KNOW IT WELL

Familiar Features Well Known to Hundreds of Wilmington Citizens

A familiar burden in many homes.
The burden of a "bad back."
A lame, a weak or an aching back.
Often tells you of kidney ills.
Doan's Kidney Pills are for weak kidneys.

Here is Wilmington testimony:

Miss M. Rivenbark, 105 Dock St., Wilmington, N. C., says: "There was a constant, dull pain in the small of my back and some days I could hardly get about the house. The kidney secretions bothered me and I had but little strength or energy. I used several tonics and remedies, but nothing gave me relief until I began taking Doan's Kidney Pills, which were procured at Bellamy's Drug Store. It did not take them long to give me lasting benefit. You are welcome to continue using my former public endorsement of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

ELECTION NOTICE.

FOR BONDS FOR ROADS and BRIDGES

The Board of Commissioners of New Hanover County in accordance with the provisions of an Act of the General Assembly of North Carolina, passed at its 1913 session, entitled "An Act to empower the Board of Commissioners of New Hanover County to issue bonds for road improvement and to construct bridges," and by virtue of the power therein given, do hereby call and give notice of an election to be held by the qualified voters of New Hanover County on Tuesday, May 27th, 1913, between the hours of sunrise and sunset, to determine whether New Hanover County, North Carolina, shall issue $100,000.00 of its bonds, with interest coupons attached, to continue and complete the repairing, construction and improving the public roads and bridges in said County.

At this election the ballots tendered and cast by the qualified electors shall have written or printed upon them "For continuing and completing the construction and improvement of the public roads and bridges of the County," or "Against continuing and completing the construction and improvement of the public roads and bridges of the County."

All qualified electors who favor the issue of said bonds shall vote for "For continuing and completing the construction and improvement of the public roads and bridges of the County," and all qualified electors who are opposed to the issue of said bonds shall vote "Against continuing and completing the construction and improvement of the public roads and bridges of the County."

For the purpose of this election, as authorized by the said Act, the said Board of Commissioners have ordered, and do hereby order, a new registration for said election, and the following are designated as the polling places in the several townships, precincts and wards, and the persons hereinafter named have been appointed as the Registrars and Judges of Election in the said several townships, precincts and wards.

Cape Fear Township—Polling place, Ritter's blacksmith shop, Castle Hayne road; Registrar, W. H. Shearin; Judges of Election, W. S. Cooper and C. E. Kerr.

Harnett Township—Delgado, Barber shop, Delgado Mills; Registrar, F. C. Branch; Judges of Election, W. G. James and H. C. Blake.

Harnett Township — Seven-Mile Post; Polling place, Township house; Registrar, George T. Shepard; Judges of Election, Gerrit Walker and C. H. Alexander.

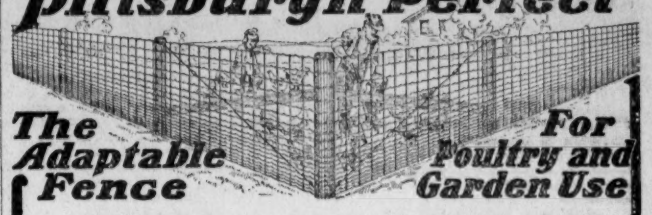
"Pittsburgh Perfect"



The Adaptable Fence — For Poultry and Garden Use

Among the 145 styles and sizes of "Pittsburgh Perfect" Fence shown in our new catalogue, the fence user can now obtain fencing *perfectly suited* to his *particular* requirements. "Pittsburgh Perfect" is the most adaptable, portable, durable and resultful of all wire fences, and gives absolute satisfaction because, coupled with our ripened manufacturing experience, it is the culmination of close and exhaustive study and investigation of farmers' needs along lines of up-to-date poultry and agricultural methods and equipment.

Open Hearth Wire like old time iron wire is used exclusively in "Pittsburgh Perfect" Fence and is heavily galvanized with pure zinc. All line and stay wires are

ELECTRICALLY WELDED

at every contact point, which makes it unequaled for toughness, strength and economy in weight and price.

Every Rod Guaranteed Perfect.

THE NEW CATALOGUE contains valuable information about wire fencing, and illustrates styles and sizes adapted to every FIELD, FARM, RANCH, LAWN and POULTRY purpose.

JAPANESE QUARREL ABOUT CALIFORNIA

(Continued from Page One.)

an's arguments, but Boynton protested and carried his point.

After several others had spoken, many of them quoting statistics to show the increase in land holdings by Japanese in recent years, Secretary Bryan arose. His first statement was concerning the secret conference, which he said he had favored. With the support of Governor Johnson and the presiding officers of both houses, Secretary Bryan said he could speak with more frankness to the members than he could to "a promiscuous audience."

"As the representative of the President," he began, "I feel keenly the responsibility that is placed upon me. I would have preferred to have him come himself as the head of the nation, but that seemed impossible and he delegated me to speak for him. I do not pretend to do other than express his views. I am simply his spokesman and I will say to you only that which he would have me say.

"As to the constitutionality of our treaty with Japan, you will pardon me if I decline to act as the Supreme Court. Further as to the question of immigration, I think we can consider that question as independent of the land question with which we are here concerned."

Questions concerning the treaty and the immigration of Japanese to the United States had been asked during the debate. Continuing, Mr. Bryan said:

"I have listened to what you have said and I assume everything to be true; that you have not overdrawn nor exaggerated the feeling of the people of California in the matter. I can assume that the people demand that something be done.

"In that case, the first question is whether the legislation is demanded at this time. If it can be delayed, then the first suggestion that the President would have me make is that you permit an effort to be made to deal with the question diplomatically, with a view to reaching the same results without legislation.

"If the demand is so immediate that this cannot be done, can action be deferred for two years, and in the meantime have a commission appointed to investigate conditions and act with the executive? Would it not be worth while to try this plan before you adopt the plan that might result in unfriendliness from a foreign nation?

"I am not going to indulge in any speculations as to what may happen if you do anything now, but I am here to advise against the use of any language that would offend any people that have dealings with us."

In case immediate action was demanded, Secretary Bryan said he would be in favor of a law framed along the lines of the Illinois law, or the Federal statute in the District of Columbia, both of which are general in charactes.

"Either of these measures is preferable to language that includes the words 'ineligible to citizenship'," added Mr. Bryan. "President Wilson believes that if you use these words, you might as well make a law declaring specifically against Japanese and Chinese ownership.

"This expresses the views of the President. He desires me to say that if such a law is passed, he will recognize his duty as President to do all in his power to minimize the ill feeling that might be aroused. At the same time, he believes it his duty as President to urge earnest consideration of his advice which is given here with no desire to interfere with what you may regard as necessary. And further, he urges that if you proceed at once, you consider the advisability of using language that cannot be justly criticised as offending those nations with whom we are friendly."

Japan is Stirred.

Tokio, April 28.—The report that Viscount Kentaro Kaneke, privy councillor, is going to Sacramento in connection with the pending alien land ownership legislation, is untrue, but the Seiyukai (constitutional) and Kokuminto (opposition) parties are despatching representatives to California to make a personal investigation of the situation.

The official view is more hopeful owing to Secretary Bryan's mission, but public opinion still insists that the present is the most suitable moment to settle the whole American-Japanese quesion, and thus prevent a recurrence of similar disputes.

An inspired article in the newspaper Asahie explains that the delay in putting in force the Japanese foreign land ownership bill of 1910 has been due to the discovery of imperfections, and the long list of those cited indicates that probably years will elapse before the amendments are approved.

Canada Foresees Yellow Peril.

Philadelphia, April 28.—A general defense of the attitude of those who oppose alien ownership of land and unrestricted Asiatic immigration was made today by H. H. Stevens, member of the Canadian Parliament from British Columbia, in an address before the Poor Richard Club.

Declaring that if the Eastern States and the Eastern half of Canada, could appreciate the real situation on the Pacific coast they would sympathize with the viewpoint of the people out there towards the Chinese and Japanese.

Mr. Stevens laid down as a basis for his argument that "immigration is a privilege we grant, not a right for aliens to claim."

"It may seem a small thing to let them own 13,000 acres of land. But that is an opening wedge, a beginning," he said. "Californians think they know only too well how it would end. I think any one who studies conditions out there will agree with me that it would be criminally derelict for the law-makers to do anything that would tend to upset present standards of civilization.

"The problem of Asiatic emmigration should be handled in a broad way with the good of the whole country in view and with a due regard for the facts of the situation."

In explaining the Canadian immigration laws, Mr. Stevens said that by a secret treaty, a diplomatic arrangement with Japan, only some 400 come into Canada each year. He added:

"We charge $500 head tax upon the Chinese and are thinking of making the law against them even more stringent."

Louis S. Amonson, president of the Peoples' National Fire Insurance Company, noted as a leader in the country-wide campaign against the "dangerous match" and "the arson trust," died yesterday at his home in New Town, Pa., from acute indigestion and heart trouble, aged 44 years. He came to this country 32 years ago from Bergen, Norway, where he was born.

The Supreme Court of the United States yesterday announced no decision in the State rate cases and other important suits pending.

ATLANTA MURDER MYSTERY

Body of Fifteen-year-old Girl Found in Cellar

Atlanta, Ga., April 28.—With clothing torn in shreds and other indications of violence conspicuous, the body of Mary Phagan, 15-year old daughter of Mrs. J. W. Coleman, of Atlanta, was found early Sunday in the basement of the National Pencil Company's plant, at 37 Forsyth street.

Newt Lee, negro night watchman at the building, who discovered the body, was arrested shortly after he notified the police. A young man, giving the name of A. Mullanaux, also has been taken in custody. The police assert that the latter is alleged to have been seen with the Phagan girl at 12:30 this morning. Both prisoners are being detained under the blanket charge of "suspicion" and both deny any knowledge of the alleged killing.

The body was found, according to the negro, at 3:30 this morning when he was making a "round" of the building. In addition to a gaping wound in the back of the head, bruises and lacerations on the body, a hankerchief was found knotted about the throat. Tied to this was a short piece of rope, with which the police believe, the body was lowered into the basement through a small hole in the floor above.

Physicians who were summoned from a local hospital immediately after the body was found expressed the belief that death was due to strangulation.

Although four men are held by the police in connection with the murder, the identity of the person or persons who killed her remains unknown to-night.

No witnesses were heard at the coroner's inquest this morning, the taking of testimony being referred by order of Coroner Donohoo until Wednesday. Members of the jury were taken to the place where the girl's body was discovered and an examination of the premises made. The jury then adjourned.

Two of the arrests were made during the day, chief in interest being that of John M. Gant, until recently bookkeeper for the pencil company. Acting upon information that Gant had been seen with the Phagan girl and that he had visited the factory Saturday evening, the police instituted a search for him which ended in the inquiry that he had left Atlanta for Marietta. Authorities at the latter place were notified, and the young man arrested as he was leaving the train. He was brought to Atlanta and a charge of "suspicion" entered against him. Later this charge was altered to "murder."

The other arrest today was that of Gordon Bailey, negro elevator boy in the factory, suspected by the police of being the "tall, black negro" described in one of the incoherent notes found near the body.

Leo M. Frank, president of the National Pencil Company, was taken into custody as a witness, and subjected to a rigid examination but no charge was entered against him and he was later discharged.

Arthur Mullinaux, arrested Sunday as a suspect, has apparently established an alibi, but has not been released. Newt Lee, negro night watchman also held, was subjected to a gruelling examination by the police but clings to his original story that he found the girl's body while making his rounds and knows nothing of how she came to be in the building.

While the police admit that they are possessed of important facts, in connection with the crime, it is probable that there will be no material developments until after the evidence is heard at Wednesday's inquest.

SOUTHERN SOCIOLOGISTS

Steps to Protect Children and Young Girls

Atlanta, Ga., April 28.—Child labor and the care of illiterate and delinquent children in the South were the principal subjects which came up for discussion tonight at the third general session of the Southern Sociological Congress which convened here Friday. Papers discussing the condition of children throughout the Southern States and suggesting possible remedies for present neglect or abuse were presented by several distinguished social workers, including Dr. A. J. McKelaway, of Washington, D. C., Southern secretary of the National Child Labor Company.

Thirty-six Travelers' Aid and Protective organizations, in the principal cities of the United States, will consolidate to form the National Travelers' Aid Association, according to plans outlined at the opening conference of the Travelers' Aid Work being held in connection with the Southern Sociological Confeernce.

To meet all trains in large cities, to render assistance to strangers and especially to protect young girls are the objects of the proposed association. O. L. Steel, of Pensacola, chairman of the conference, and Orin C. Baker, of New York, secretary, were among the speakers.

The departmental conferences of the congress were continued today.

QUICKLY CURES THE WORST BACKACHE

Makes Kidney Troubles, Bladder Disorders and Rheumatic Pains Vanish

It is no longer necessary for any one to suffer with backaching, kidney trouble, have disagreeable bladder and urinary disorders to contend with, or to be tortured with rheumatism, stiff joints, and its heart-wrenching pains, for the new discovery, Croxone quickly and surely relieves all such troubles.

Croxone is the most wonderful remedy yet devised for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It is entirely different from all other remedies. It is not like anything else ever used for the purpose. It acts on the principle of cleaning out the poisons and removing the cause.

It soaks right in through the walls, membranes and linings, like water in a sponge, neutralizes, dissolves, and makes the kidneys sift out and filter away, all the uric acid and poisons from the blood, and leaves the kidneys and urinary organs clean, strong, healthy and well.

It matters not how long you have suffered, how old you are, or what you have used, the very principle of Croxone is such, that it is practically impossible to take it into the human system without results. There is nothing else on earth like it. It starts to work the minute you take it and relieves you the first time you use it.

If you suffer with pains in your back, and sides, or have any signs of kidney, bladder troubles, or rheumatism, such as puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired, and run-down, or bothered with urinary disorders, Croxone will quickly relieve you of your misery. You can secure an original package of Croxone at trifling cost from any first-class druggist. All druggists are authorized to personally return the purchase price if it fails in a single case.

"Does it" Surprise you that We Get the Business?

BOYLAN & HANCOCK

"The Shoe Store Ahead."

It is not what paint costs per gallon—but what it costs per job, that makes it desirable.

DAVIS 100 PER CENT PURE PAINT

will cost you less per job than any other paint on the market; and is, therefore, the most desirable of them all.
